

most influential preachers of the last fifty years, best-selling author Tony Campolo has spent decades calling on readers and audiences around the world to live their faith through committed activism. A tireless crusader for human rights and the eradication of world poverty, Campolo is a "Red Letter" Christian—he reminds us that when Jesus spoke, he spoke of social justice. But the Religious Right and social conservatives have hijacked His message in the name of Republican politics. They have corrupted the faith by ignoring the true message of Christ and focusing instead on narrow "wedge" issues to win political campaigns. In *Letters to a Young Evangelical*, Campolo calls on evangelicals of all ages to reject the false pieties of the Religious Right. With his trademark candor and wit, he offers sage advice to seekers who are trying to live their faith in a modern world that is politically polarized and predominantly secular. He is unafraid to touch on the hot-button topics that divide believers in America and around the world: abortion, gay rights, war, capital punishment, feminism, and the environment. An activist, a visionary, and a man of deep faith, Tony Campolo offers guidance not only for young evangelicals, but for seekers of all ages and faiths.
