The Essays of Warren Buffett Lawrence A. Cunningham, Warren E. Buffett, 2013-03-15 In the third edition of this international best seller Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis; and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced. Buffett's owner-related business principles are in the prologue as a separate subject, and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. The Essays of Warren Buffett Lawrence A. Cunningham, 2023-04-11 A modern classic, *The Essays of Warren Buffett: Lessons for Corporate America* is the book Buffett autographs most and likes best. New and experienced readers alike will gain an invaluable informal education by perusing this classic arrangement of Mr. Buffett's best writings. [The Essays of Warren Buffett](#) Warren Buffett, 2021 As in previous editions of *The Essays of Warren Buffett*, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year's letter

appear Footnotes throughout indicate the year of the annual report from which essays are taken To avoid interrupting the narrative flow omissions of text within excerpts are not indicated by ellipses or other punctuation This new edition is called for not because anything has changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency

The Oracle Speaks: Warren Buffett In His Own Words David Andrews,2012-11-19 From his office in Omaha Nebraska without even the benefit of a computer Warren Buffett has racked up an investment record that far surpasses his counterparts on Wall Street or anyone else in the world for that matter While traditionally stock exchanges have returned about 11 percent annually in the past half century Buffett s investments have by nearly 29 percent a year solidifying Buffett s conglomerate holding company Berkshire Hathaway as the eighth largest business in the world and netting him 44 billion along the way Despite this tremendous success the Oracle of Omaha remains modest He acknowledges that he has a unique ability to evaluate businesses but he doesn t feel entitled to the vast wealth that ability

has earned him Instead he likes to say that he was born at the right place and time This humility in the face of proven talent and innumerable wealth is part of what makes Buffett universally popular he is one of the world s wealthiest men and yet he is still personable and relatable For the first time the most thought provoking and inspiring quotes from Buffett are now compiled in a single book *The Oracle Speaks Warren Buffett in His Own Words* is a comprehensive guidebook to the inner workings of the Berkshire Hathaway chairman Hundreds of Buffett s best quotes comprising thoughts on investing Wall Street business politics taxes and life lessons will provide the most intimate and direct look into the mind of a modern business icon and give readers enough counsel to last a lifetime Media outlets financial advisers politicians and Americans from Main Street to Wall Street hang on every word Buffett speaks hoping to gain valuable insight into Buffett s investments and successes There is possibly no greater stamp of approval in the business world than to have Buffett invest in a company and few leaders in the course of history have commanded such universally agreed upon respect Even beyond his business savvy Buffett is influential as a progressive thinker and active philanthropist having pledged to give most of his money to charity through the Bill and Melinda Gates Foundation as well as foundations run by his three children It is this humility that consistently draws people to Buffett and will draw people to *The Oracle Speaks* Most recently inspired by Buffett s New York Times editorial in which he claimed he paid too little in taxes President Barack Obama and Congress have named a series of tax reforms after Buffett While the political implications have been controversial Buffett has retained his reputation as an outspoken and successful business leader *The Oracle Speaks* draws from decades of interviews editorials and annual shareholder reports amassing the most complete outline of how Buffett believes a good business is run and a good life is led It s advice that Buffett has successfully adhered to throughout his 80 plus years and it is advice now available in the succinct poignant gift friendly package of *The Oracle Speaks*
