Essential Gnostic Scriptures Essential Gnostic Scriptures:

Essential Gnostic Scriptures Marvin Meyer, Willis Barnstone, 2011-11-22 The people we've come to call gnostics were passionate advocates of the view that salvation comes through knowledge and personal experience and their passion shines through in the remarkable body of writings they produced over a period of more than a millennium and a half Willis Barnstone and Marvin Meyer have created a translation that brings the gnostic voices to us from across the centuries with remarkable power and beauty beginning with texts from the earliest years of Christianity including material from the Nag Hammadi library and continuing all the way up to expressions of gnostic wisdom found within Islam and in the Cathar movement of the Middle Ages The twenty one texts included here serve as a compact introduction to Gnosticism and its principal ideas and they also provide an entrance to the pleasures of gnostic literature in general representing as they do the greatest masterpieces of that tradition

The Essential Gnostic Gospels Alan Jacobs, 2006 The Gnostics were early Christians whose beliefs and practices put them at odds with the orthodox Church indeed the Church considered Gnostics to be heretics and made a concerted effort to destroy their writings However in 1945 a remarkable discovery was made in Nag Hammadi in the Egyptian desert a jar containing 13 papyrus documents dating back to the fourth century AD with genuine Gnostic texts in the original Greek In addition this manuscript included four gospels that offered accounts of Jesus and His times that are strikingly different from the New Testament Alan Jacobs brings his unrivalled scholarship to bear on these illuminating and eye opening works offering inspiring and poetic translations that capture the verses' uplifting spiritual message and beauty

A Dictionary of Gnosticism Andrew Phillip Smith, 2014-03-17 A Dictionary of Gnosticism is a scholarly yet accessible guide that covers the people, mythology, movements, scripture and technical terms related to this pre-Christian Western religion It contains nearly 1700 entries from Achiaram an angel in the Secret Book of John to Zostrianos a third century Gnostic text and is a reliable reference for the Nag Hammadi library and other Gnostic texts An introduction explains who the Gnostics were and provides a whirlwind tour through the history of this captivating movement

The Gnostic Scriptures, Second Edition Bentley Layton, David Brakke, John Collins, 2021-07-06 A collection of extra biblical scriptures written by the gnostics updated with three ancient texts including the recently discovered Gospel of Judas This definitive introduction to the gnostic scriptures provides a crucial look at the theology, religious atmosphere and literary traditions of ancient Christianity and Hellenistic Judaism It provides authoritative translations of ancient texts from Greek, Latin and Coptic with introductions, bibliographies and annotations The texts are organized to reflect the history of gnosticism in the second through fourth centuries CE This second edition provides updates throughout and adds three new ancient texts including the recently discovered Gospel of Judas

The Gnostic World Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined

across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history **The Gnostic Scriptures** Bentley Layton,1995-01-08 This introduction to the gnostic scriptures takes a look at the theology religious atmosphere and literary traditions of ancient Christianity and Hellenistic Judaism **The Gnostic Scriptures** Joseph Lumpkin,2006-01-01 To understand some of the basic beliefs of Gnosticism let us start with the common ground shared between Gnosticism and modern Christianity Both believe the world is imperfect corrupt and brutal The blame for this according to mainstream Christianity is placed squarely on the shoulders of man himself With the fall of man Adam the world was forever changed to the undesirable and harmful place in which we live today However Gnostics reject this view as an incorrect interpretation of the creation myth According to Gnostics the blame is not in ourselves but in our creator The creator of this world was himself somewhat less than perfect and in fact deeply flawed and cruel making mankind the children of a lesser God The parallel between Sophia and Mary Magdalene in Gnostic theology cannot be overstated Sophia was the handmaiden of the Supreme God carrying the life force which was the emanation of God She carried the truth within her which she offered to Adam The truth was offered up to set him free Mary was the consort of Jesus carrying the imparted knowledge and possibly his life force in the form of a child She revealed to the apostles the truth Jesus personally and intimately gave to her alone We will see this stated clearly in The Gospel of Mary Magdalene later in this book ***Essentials of New Testament Study: Intended as a Companion to the New Testament ...*** William Edensor Littlewood,1872 **The Gnostic Bible** Willis Barnstone,Marvin W. Meyer,2006 The most comprehensive collection of gnostic literature ever published this volume is the result of a unique collaboration between a renowned poet translator and a leading scholar of early Christian texts **Introduction to the Johannine Writings** Paton James Gloag,1891 ***The Nag Hammadi Gnostic Texts and the Bible*** Andrew K. Helmbold,1967 **Essentials of New Testament Study** William Edensor Littlewood,1872 **The Inner Meaning of the Four Gospels** Gilbert Thomas Sadler,1920 **The Secret Teachings of Jesus** ,1986-05-12 In December 1945 two Egyptian fellahin digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar The jar proved to hold treasure of an unexpected sort a collection of some fifty two ancient manuscripts most of which reflect the teachings of a mystical religious movement we call Gnosticism from the Greek word gnosis knowledge The texts are also with few exceptions Christian documents and thus they provide us with valuable new information about the character of the early church and about the Gnostic Christians within the church In this volume Marvin W Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts the Secret Book of James the Gospel of Thomas the Book of Thomas and the Secret Book of John **The Fourth Gospel, Evidences External**
