Essential Figures In The Bible:

Essential Figures in the Bible Ronald L. Eisenberg, 2013 For millions of people throughout the world the Hebrew Bible functions as the foundation of their faith For millions more the same book functions as the subject of their studies For both groups the characters discussed in the Bible lend key insight to the lessons found there However sifting through the hundreds of names mentioned in this key religious text to find information about one figure can be tedious and time consuming and most reference guides either provide only brief unhelpful entries on every character including minor figures or are so extensive that they can be more intimidating than the original text Essential Figures in the Bible compiles thorough but manageable entries on the figures most vital to an understanding of the Bible and its teachings In this valuable reference Dr Ronald L Eisenberg catalogs and explains the importance of more than 250 figures who are most vital to an understanding of the Hebrew Bible and its teachings For these figures selected from the more than 3 000 names found in the Hebrew Bible Eisenberg provides summaries of the narratives relevant to each figure discussed along with illustrative quotations from the Bible and supplementary material from rabbinic literature when appropriate Both religious studies and rabbinical students and casual readers of the Hebrew Bible will benefit from the comprehensive entries on the most frequently discussed biblical figures and will gain valuable insights from this reader friendly text Complete in a single volume this guide strikes a satisfying balance between the sparse uninformative books and comprehensive but overly complex references that are currently the only places for inquisitive Bible readers to turn For any reader who wishes to gain a better understanding of the Bible Eisenberg's text is just as essential as the figures listed within

Essential Figures in Jewish Scholarship Ronald L. Eisenberg, 2014-03-20 Despite the fact that scholars of the post Talmudic era have been of great importance to the continued interpretation of religious texts for more than a millennium they are typically not given as much attention as their Talmudic era predecessors Essential Figures in Jewish Scholarship compiles thorough but manageable entries on the figures most vital to an understanding the scholarship of the post Talmudic era In this valuable reference Dr Ronald L Eisenberg catalogs and explains the importance of more than two hundred figures who are most vital to an understanding of the teachings of the post Talmudic rabbis For these figures who fall into the categories of Geonim rabbis writing from 600 1100 Rishonim 1100 1500 and Acharonim 1500 present day Eisenberg provides summaries of major teachings and scholarly contributions as well as biographical information and illustrative quotations from relevant writings

The Power of Equivocation Amy Kalmanofsky, 2022-09-20 In The Power of Equivocation Amy Kalmanofsky addresses the Bible's inherent complexity as well as the complexity of those who seek to read the Bible critically generously and honestly The Bible invites what Kalmanofsky identifies as equivocal

readings readings that do not reach neat conclusions related to ideology or character Kalmanofsky demonstrates the Bible s complicated artistry through her close readings of six biblical narratives that feature women she examines culpability in the story of Joseph and Potiphar s wife and shows how the Bible presents neither figure as a hero or villain considers how the Bible s portrayal of Hannah both conforms to and also defies the Bible s patriarchal norms how the Bible affords the rejected King Saul compassion and respect through a powerful yet unlawful medium from En Dor how Queen Esther overpowers men to become the equivocal hero of her eponymous book how Tamar in Genesis 38 like Hannah conforms to and challenges the Bible s patriarchal norms and how like Esther she is the equivocal hero of her story and how the Bible presents Bathsheba as a complicated figure both vulnerable and powerful Kalmanofsky draws from the challenges she personally feels as a feminist as a Jew and as a scholar to argue that equivocal readers like herself are best equipped to see the Bible s complex artistry Equivocal feminist religious readers are suspicious and generous readers who can expose the ways in which biblical texts empower and disempower women and who can provide essential insight about the Bible s theology and ideology Through her close readings Kalmanofsky models what it means to be equivocal readers of an equivocal Bible The Power of Equivocation is marked by honesty and the celebration of a text that can never be read just one way Hearings United States.
