web rp 1 make up a volumetric solution and carry out a simple acid base titration physical chemistry acids and bases ph curves titrations and indicators titrations of acids with bases students should be able to perform calculations for these titrations based on experimental results inorganic chemistry transition metals variable

acid base chemistry titration lab - Dec 29 2022

web one type of titration uses a neutralization reaction in which an acid and a base react to produce a salt and water in equation 1 the acid is hcl hydrochloric acid and the base is naoh sodium hydroxide when the acid and base react they form

nacl sodium chloride which is also known as table salt
