

# Essentials Of Sociology A Down To Earth Approach 10th Edition

**James M. Henslin**

## **Essentials Of Sociology A Down To Earth Approach 10th Edition:**

*Essentials of Sociology* James M. Henslin, 2002 Henslin's best-selling brief paperback text shares the excitement of sociology with the acclaimed down to earth approach and personal writing style which highlights the sociology of everyday life. This text is a brief version of the highly successful hardcover introductory text *Sociology A Down to Earth Approach* 5e. The essential 15 chapters cover all of the topics in the 22 chapter text and retain the dual emphases on micro and macro individual and structural sociology. The author has a unique ability to engage students without talking down to them. With wit, personal reflection, and illuminating examples, Henslin is able to share his passion for sociology with his readers like no other author of an introductory text.

*Essentials of Sociology* James M. Henslin, 2018-02-20 *Essentials of Sociology* George Ritzer, Wendy Wiedenhof Murphy, 2017-11-27 *Essentials of Sociology* adapted from George Ritzer's *Introduction to Sociology* provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the McDonaldization of society. New to this Edition: New Trending boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing Public Sociology boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander *The New Jim Crow*, o Elizabeth Armstrong and Laura Hamilton *Paying for the Party*, o Matthew Desmond *Evicted*, o Arlie Hochschild *Strangers in Their Own Land*, o Eric Klinenberg *Going Solo*, o C. J. Pascoe *Dude You're a Fag*, o Lori Peek and Alice Fothergill *Children of Katrina*, o Allison Pugh *The Tumbleweed Society*. Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues, including the 2016 U.S. election, Brexit, the global growth of ISIS, climate change, further segmentation of wealthy Americans, the super-rich, transgender people in the U.S., armed forces charter schools, the legalization of marijuana, the Flint water crisis, fourth-wave feminism.

**Essentials of Sociology** James M. Henslin, 2010-09-13 *Essentials of Sociology A Down to Earth Approach* is heralded by students and instructors alike as the most friendly and inviting introduction to sociology available. James Henslin guides students on an intellectual voyage through the sociological imagination, helping them better understand both themselves and their world. With humor, personal reflection, and illuminating examples, he shares with readers his passion for sociology. Six central themes run throughout the text: down to earth sociology, globalization, cultural diversity, critical thinking, the new technology, and the influence of mass media on everyday life. Each of these themes is reflected in the central narrative, in boxed features throughout the text, and in MySocLab. *Essentials of Sociology A Down to Earth Approach* 9th edition is the first edition of Henslin's to feature integration with MySocLab.

MySocLab now features diagnostic quizzing Social Explorer activities The Way We Live video activities links to The Social Lens blog and over 100 primary source readings Essentials of Sociology: A Down-to-Earth Approach James M. Henslin, 2013-10-03 A Down to Earth Approach James Henslin shares the excitement of sociology With his acclaimed down to earth approach and personal writing style the author highlights the sociology of everyday life and its relevance to students lives With wit personal reflection and illuminating examples Henslin shares with readers his passion for sociology In addition to this trademark down to earth approach other distinctive features include comparative perspectives the globalization of capitalism and visual presentations of sociology Teaching relevant theories are discussed in each chapter Understand Diversity Global national and personal material combine to present a complete view of the world Support Instructors New Integrated Test Bank written activities and assessment in MySocLab engage students and help them succeed **Down to Earth Sociology: 14th Edition** James M. Henslin, 1981-02-01 For thirty five years and through thirteen editions Jim Henslin's Down to Earth Sociology has opened new windows onto the social realities that shape our world Now in its fourteenth edition the most popular anthology in sociology includes new articles on our changing world while also retaining its classic must read essays Focusing on social interaction in everyday life the forty six selections bring students face to face with the twin projects of contemporary sociology understanding the individual's experience of society and analyzing social structure The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life mistaken perceptions of the American family the effects of a criminal record on getting a job and the major social trends affecting our future Together with these essential new articles the selections by Peter Berger Herbert Gans Erving Goffman Donna Eder Zella Luria C Wright Mills Deborah Tannen Barrie Thorne Sidney Katz Philip Zimbardo and many others provide firsthand reporting that gives students a sense of being there Henslin also explains basic methods of social research providing insight into how sociologists explore the social world The selections in Down to Earth Sociology highlight the most significant themes of contemporary sociology ranging from the sociology of gender power politics and religion to the contemporary crises of racial tension crime rape poverty and homelessness Essentials of Sociology James M. Henslin, 2018-02-20 **A Sociotheological Approach to Catholic Social Teaching** Vivencio O. Ballano, 2022-10-31 This book introduces Catholic social teaching CST and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of COVID 19 that undermine public interest It uses the sociotheological approach that combines the moral principles of CST and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data Specifically it investigates the corporate moral irresponsibility and some unethical business practices of Big Pharma in the sale and distribution of its anti COVID vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the United States Congress's legislative regulation against the pharmaceutical industry's overpricing and profiteering the inadequacy of the World Health Organization's WHO law

enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud and white collar crime This book highlights the contribution of sociology in providing the empirical foundation of CST's moral analysis and in crafting appropriate Catholic social action during the pandemic It is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and Catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and COVID 19 This book brings into dialogue two bodies of literature documents of Catholic social teaching and modern sociology and its core thinkers and texts The author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of Catholic social thought Rev Fr Thomas Massaro S J Professor of Moral Theology Jesuit School of Theology Santa Clara University Berkeley California     The ^ASacred Project of American Sociology Christian Smith,2014-07-03 The Sacred Project of American Sociology shows counter intuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology's deepest level Sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project This book re asserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest fair and healthy vision of its purpose     **Essentials of Sociology: a Down-to-Earth Approach** Henslin,2006

**Sociological Theories of Health and Illness** William C Cockerham,2020-07-09 Sociological Theories of Health and Illness reviews the evolution of theory in medical sociology beginning with the field's origins in medicine and extending to its present day standing as a major sociological subdiscipline Sociological theory has an especially important role in the practice of medical sociology because its theories distinguish the subdiscipline from virtually all other scientific fields engaged in the study of health and illness The focus is on contemporary theory because it applies to contemporary conditions however since theory in sociology is often grounded in historical precedents and classical foundations this material is likewise included as it relates to medical sociology today This book focuses on the most commonly used sociological theories in the study of health and illness illustrating their utility in current examples of empirical research on a wide range of topics The qualitative or quantitative research methods applicable to specific theories are also covered Distinctions between macro and micro level levels of analysis and the relevance of the agency structure dichotomy inherent in all theories in sociology are discussed Beginning with classical theory Durkheim Weber and Marx and the neglected founders Gilman Martineau and DuBois along with symbolic interaction Mead Strauss and labeling theory Becker and poststructuralism and postmodernism Foucault coverage is extended to contemporary medical sociology Discussion of the stress process model Pearlin is followed by the social construction of gender and race and intersectionality theory Collins health lifestyle theory Cockerham life course theory Elder fundamental cause theory Link and Phelan and theories of the medical profession Freidson medicalization and biomedicalization Conrad Clarke and social capital Bourdieu Putnam and Lin     **Essentials of Sociology** James M.

**Pearson New International Edition** James M. Henslin,2014 A Down to Earth Approach. James Henslin shares the excitement of sociology. With his acclaimed down-to-earth approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin shares with readers his passion for sociology. In addition to this trademark down-to-earth approach, other distinctive features include comparative perspectives, the globalization of capitalism, and visual presentations of sociology. Teaching relevant theories are discussed in each chapter. Understand Diversity. Global, national, and personal material combine to present a complete view of the world. Support Instructors' New Integrated Test Bank, written activities, and assessment in MySocLab engage students and help them succeed. **Commodified Health Care and Lay Catholic Social Spirituality** Vivencio

Ballano,2025-07-01 This book establishes a lay social spirituality for health care practitioners that pursues the Catholic Church's social teachings on the preferential option for the poor, structural sin, and health care reform to address today's commodification of the health care system where maximizing profit and patient's capacity to pay become the primary consideration. Applying a sociotheological approach that combines the perspectives of modern sociology, Catholic social doctrines, and Pope Francis's inductive synodal theology, as well as drawing from secondary literature, media reports, and church documents, it argues for the necessity of a holistic interdisciplinary and synodal lay Catholic social spirituality that is informed by Pope Francis's synodality. Presenting sociological research for health care practitioners to uphold options for the poor in public health, it envisions a lay spirituality that participates in civil society's health care reform agenda at the macro level and practices Christian and Ignatian discernment at the micro level as its main behavioral components. This book appeals to Christian health care actors, entrepreneurs, and spiritual directors, as well as scholars and students in sociology, religion, moral theology, bioethics, and spirituality. **Sociology** James M. Henslin,2023 Throughout this text, the goal is to share with your students how fascinating and enlightening sociology is. Because sociology is about social life and we live in a

changing global society this 15th edition of Sociology A Down to Earth Approach continues to reflect the national and global changes that engulf us as well as presents new sociological research The down to earth examples for which this text is known will help your students see how sociology applies to them So will the photos about 555 of them of which 228 are new The photos are neither random nor fillers I have either selected or taken each of these photos as well as written each caption By tying the photos and their captions directly into the text they become part of your students learning experience     *Sociology* James M. Henslin, Dan Glenday, Ann Duffy, Noreen Pupo, 2013-02-15 Note If you are purchasing an electronic version MySocLab does not come automatically packaged with it To purchase MySocLab please visit [www.mysoclab.com](http://www.mysoclab.com) or you can purchase a package of the physical text and MySocLab by searching for ISBN 10 0205914616 ISBN 13 9780205914616 Sociology offers a truly down to earth approach through its accessible writing style and application of sociological perspectives to everyday life Its balance of comprehensiveness and brevity provides students with a clear presentation of the four key theoretical perspectives Each of these perspectives is applied to a variety of illuminating examples and exercises showcasing how sociology is relevant to students lives     *Forthcoming Books* Rose Arny, 2003     **Essentials of Sociology: A Down-To-Earth Approach [With Access Code]** James M.
