Complete Guide to Anonymous Torrent Downloading & File Sharing Matthew Bailey, 2013 Download, share torrents anonymously. Don't be exposed and at risk. Take the steps in this Guide. Torrent file sharing is a quick and easy way to obtain all kinds of great media on the Internet, ranging from full-length movies, music files, video clips, ebooks, apps, software, programs, images, documents, to basically any digital content you can think of. Downloading and sharing torrents can feel anonymous, but this is deceptive. Unless you take some extra steps to protect your privacy while downloading and sharing torrents, the prying eyes of unwelcome snoops can eavesdrop, monitor, and record your torrenting activities. You need to protect yourself against aggressive firms monitoring your torrent activities, your Internet service provider (ISP) slowing down or throttling your connection, consequences from inadvertently downloading copyright materials (hey, it can happen to anyone), disclosure of torrent downloads you would rather keep hidden, or secret intrusion and overreach on the part of businesses and governments prying into every aspect of our online lives. Big Brother syndrome. This no-nonsense Guide is your one stop for how to download torrents anonymously, with helpful screenshots and recommendations along the way. It briefly explains the technology behind torrents, outlines the risks you take when downloading and sharing torrents, recommends the best ways to find torrents, and takes you step by step through the process of downloading and sharing torrents anonymously. If torrents are a new concept to you, don't worry; they are explained in the Guide without any fluff or technobabble. At the same time, even the most advanced users will learn new tips and tricks in this Guide. Either way, from beginner to advanced user, with the help of this Guide, you will be downloading torrents anonymously like a pro in no time. **BitTorrent For Dummies** Susannah Gardner, Kris Krug, 2005-10-14 Share your home movies or download new software.
