Bauer, 2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia **The Bible as Revelatory Word** Robert Ignatius Letellier, 2016-08-17 Whether one approaches the Bible from a perspective of faith culture or literature the power of the writing the human situations language and genres that make up the Scriptures speak potently across the ages From whatever angle the texts have a revelatory power that shines a light on the human condition our sense of purpose place in the world and even our destiny Born out of the common reflection on the history of single nation with a sense of divine election the Bible has spoken and continues to speak to all people in various circumstances in words of such power that seem divinely inspired This volume provides an opportunity for studying those special areas of Scripture known as the Prophets and the Wisdom Books Isaiah Jeremiah Ezekiel and Daniel spoke to Ancient Israel from the situation of their national story shaped by the Covenant with God especially before during and after the sorrow of their Exile in Babylon 587 38 BC The Wisdom Books of the Bible reflect on the ontology of the human condition under any circumstance how to live wisely and sensibly by looking at the world of nature and the human heart to discern the purpose of life The approach adopted here building on a fundamental understanding of the Old Testament searches for deeper understanding of both approaches and genres This study enables a thematic overview of the subject a way into some of the critical issues endemic to grasping both traditions and by implication some of the fundamental approaches used in biblical scholarship This study encourages reading the texts themselves developing a sharper perception of language imagery genre and style The book thus provides an overall picture of the literary types employed locates the sacred books in a

chronological and thematic context exploring the texts through the specific passages provided always looking to find the theological keys critical to understanding these particular books and their enduring message across the ages. A particularly interesting aspect of this study is its collection of iconography offering a cross section of artistic responses to the power of the biblical discourse through the centuries. While Gustave Doré's famous etchings form the axis of the centrefolds, many other painters are included from different periods.

The Books of the Old Testament in Your Palm Ayuba Mshelia, 2022-11-30

The book is about introductions to the books of the Old Testament of the Bible, which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely selected people as His spokesmen. How many of these forty select men wrote the Tanakh or the Old Testament? This synopsis is a guide to the types of questions asked in writing this book. Who, for example, is the author of the Torah or the Pentateuch? Are all the books written by one person? Or are there others? What are the themes and purposes of each book? Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith? What are the books of the kingdoms? Why don't you see such titles in the Old Testament? What are the themes of some of the poetical books? For instance, why do good and righteous people suffer and the ungodly prosper? Does God care? How was the first ancient attempt of a holocaust foiled by Hadassah, also known as Esther, a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia? What happened to the culprit? Why was the four hundred year period of the judges the most ungodly and apostate in Israel's history? Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection? What is your take on Daniel's seventy weeks prophecy (Dan 9:24)? What does the phrase "seven weeks and threescores and two weeks" mean to you as used in Daniel's prophecy? What about "A time, times, and a half" (Dan 12:7) appearing in Daniel's prophecy? What does Ezekiel's vision about the valley of the dry bones coming to life mean to Israel and to you as a believer? The Old Testament begins with the story of creation and life but ends in Malachi 4:6 with a divine threat of a curse. Are you free from that curse as an individual or still under it? These are the many compelling and poignant questions laboriously dealt with in the book.
