**First Corinthians - Women's Bible Study Participant Book** Melissa Spoelstra,2016-08-02 Relationships are messy We re all different and imperfect and we can struggle to get along especially with those who disagree with us Often we find ourselves divided even as Christians How can we work out our differences and disagreements with humility and grace always showing the love of Christ while still remaining true to what we believe The Apostle Paul wrote to the Christians living in Corinth about this very thing The cultural backdrop of Corinth was even more overtly sinful than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul s first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We ll discover that the answer is living and sharing the radical love of Jesus Christ and we ll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components

**Impact: a Compilation of Positive Police Encounters** Chernoh M Wurie,2013-05-03 This book attempts to portray the positive side of policing There are a myriad of negative perceptions of police stories out in our social media today Majority of our encounters with a police officer is presented in a negative manner This book collects and presents the voices of several brave police officers both men and women of various ages and length of service with various departments They wholeheartedly shared their most influential stories of positive encounters Their stories were told in their voices and some of the individuals they positively affected were included In my years of professional research this is one of the most influencing and impacting endeavor I have ever embarked upon the reality of their voices were definitely represented and clearly depicted throughout this book
