Economic Justice In An Unfair World Toward A Level Playing Field:

Economic Justice in an Unfair World, 2008 **Economic Justice, Labor and Community Practice** Louise Simmons, Scott Harding, 2013-09-13 Facing economic upheaval and growing inequality people in local communities are fighting for economic justice Coalitions from labor grassroots community organizations the faith community immigrant communities and other progressive forces are emerging across the U S and Canada and winning better jobs benefits from local development and better working conditions A multi disciplinary group of scholars and activists provide background and analysis of these struggles and offer insights into successful community practice From the vantage points of community organizing labor studies political science urban studies social policy and active practitioners this volume presents both background on the problem of economic and social inequality and portrays cases of how community practice is being redefined how unions are pursuing their goals via labor community coalitions and the issues confronted as these new and vital alliances form Community practitioners from social work urban planning active union members and leaders labor educators and those in the partnerships they have formed all will find useful insights from these analyses This book was published as a special issue of the Journal of Community Practice **Redefining Human Rights in the Struggle for Peace and Development** Terrence E. Paupp, 2014-01-20 Examines the history of the struggle to advance human rights and provides a global framework of constitutional protections to implement these rights *International Economic Law and the Challenges of the Free Zones* Julien Chaisse, Jiexiang Hu, 2019-05-02 Special economic zones SEZs have become a permanent feature of the world trade scene This book the first to provide a critical and comprehensive analysis of SEZs covering a wide spectrum of countries and regions shows how SEZs albeit established at the domestic level by different countries raise multiple legal issues under international economic law This first rate book is the product of the Asia FDI Forum IV held in Hong Kong in 2018 Thoroughly exploring the development of the SEZ phenomenon and its players the contributing authors all leading economic law experts review the issues raised by SEZs in the context of international trade law international investment law and investment arbitration They identify the extent to which SEZs have been coherent in their design and policymaking in particular with regard to domestic law reforms They address such aspects both core themes and specific examples as the following investment protection in China s SEZs state owned enterprises regulation dispute settlement under what circumstances incentives available in SEZs count as export subsidies prohibited under World Trade Organization WTO rules compliance with internal market rules in European Union EU free zones local populations as victims of land expropriation Brazil s Manaus Free Trade Zone India s experience with multiple SEZs the administrative approval system in the Shanghai Free Trade Zone economic corridors and transit routes as SEZs refugee cities SEZs for migrants how China s Supreme People s Court serves national strategy how foreign investors challenge free zone regimes impacts of the establishment of SEZs on tax revenues SEZs and labour migration and management models The chapters also include

insights into the new emerging generation of international investment agreements WTO accession transparency and case law materials clarifying specific trade issues associated with SEZs and new rules to protect the environment and labour rights as well as analysis of crucially significant cases such as *Goetz v The Republic of Burundi* *Lee Jong Baek v Kyrgyzstan* and *Ampal American and Others v Egypt* With its critical and comprehensive analysis of the dynamic SEZ phenomenon across legal economic investment regulatory and policy matrices including a thorough analysis of the success factors and required policies for SEZs this book takes a giant step towards answering the question whether SEZs fundamentally contradict norms of international law or whether SEZs have to be considered as laboratories which facilitate the implementation of international economic policies Its careful examination of theory and practice and its approach to lessons learned from case studies will reward trade and investment officials policymakers diplomats economists lawyers think tanks business leaders and others interested in this ever more important area of law and economics

Ethics and International Relations Joel H. Rosenthal, 2017-03-02 This volume offers a new dimension to realist theories about world politics It questions both the theoretical and empirical foundations of much of traditional realist thought by offering realist oriented analyses that emphasize the possibilities of cooperation and accommodation through agreement over common motivations and concerns The articles in this volume demonstrate that moral considerations can and do play a significant role in shaping state behavior and that despair about the possibility of improving the systems and institutions within which we live is unwarranted Specific points of normative convergence are raised in some detail especially on issues of war membership and authority humanitarian concern and the social consequences of globalization Three ethical concepts form the core of the realism reconsidered argued for here namely the ideas of pluralism rights and fairness

The Principle of National Treatment in International Economic Law Anselm Kamperman Sanders, 2014-10-31 The principle of national treatment or the non discrimination clause is a principle that applies across

many fields of international economic law This book offers a unique horizontal examination of the principle as it applies within international trade Trade Justice James Christensen, 2017-11-10 The international trading system remains a locus of fierce social conflict The protesters who besiege gatherings of its managers most famously on the streets of Seattle at the turn of the millennium regard it with suspicion and hostility as a threat to their livelihoods an enemy of global justice and their grievances are exploited by populist statesmen peddling their own mercantilist agendas If we are to support the trading system we must first assure ourselves that it can withstand moral scrutiny We must ensure that it works for and not against those whom it envelops that it serves to emancipate not ensnare While there is an extensive literature addressing the economic and legal aspects of trade the ethical questions it raises have escaped close inspection This book contributes to resetting the balance It grapples with moral quandaries relating to world politics globalization and international commerce and recognizes that resolving these problems is essential if we are to move toward a world in which trade justice is a reality

Journal of Economic Literature ,2007 **Political Science Quarterly** ,2008 *Rolling Out the Map of Justice* Jörgen Ödalen, 2008 *Reclaiming Value in International Development* Chloe Schwenke, 2009 International development has complex unintended effects on the realities of equity rights governance and conflict in poor countries Yet the myriad moral questions and quandaries encountered at every turn by development policymakers and practitioners are seldom thought about or articulated in a rigorous fashion Instead development specialists are trained to focus on the technocratic aspects of economic aid delivery and to disregard the moral issues raised by the adverse collateral consequences of aid programs for many people communities institutions and environments in the developing countries *Reclaiming Value in International Development* is the first book to bridge the divide between ethics and development from the perspective of a seasoned development practitioner who is also a trained ethicist Schwenke formally enlarges the concept of development to include its moral dimension to denote beneficial change that alleviates human misery and environmental degradation in poor countries and reinforces universal ethical norms such as human dignity essential freedoms social justice peace civic virtue human flourishing the common good gender equality safety and security and participation and inclusion She applies this ethically expanded concept to nine key topics in international development education leadership procurement food security conflict urbanization gender identity and sexual orientation deliberative participation and the measurement of ethical performance Throughout the book the author draws on her thirty years of experience as a development practitioner in thirty poor countries around the world to give vivid real life illustrations of the classic moral dilemmas in development ethics and to show how moral reasoning can clarify and resolve them The Book Review Digest ,2007 *Mededeelingen Volume 32* Sidney Robbins, Shirley Robbins, 2007 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have

elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Industrial Relations ,2006 Foreign Affairs ,2006 Developing Countries and the WTO Gary P. Sampson,W. Bradnee Chambers,2008 It is widely accepted that a wellfunctioning global trading system is a prerequisite for trade promotion and the economic growth of developing countries This book addresses the critical trade policy choices facing developing countries **The British National Bibliography** Arthur James Wells,2006 **Bibliographie Mensuelle** United Nations Library (Geneva, Switzerland),2006 Index to Legal Periodicals & Books ,2006
