Abernethy, 2008-12 Compiles cultural theological and psychological perspectives on spiritual experience in worship from scholars and laity paying particular attention to the role of the arts in facilitating spiritual transformation *The Essence Of Worship* Apostle Frequency Revelator, 2019-11-16 It is a typical scenario across the Body of Christ that dozens of believers claim to worship God yet they don't understand exactly what worship is Some mistake praise for worship while others attach worship to slow tempo songs while in the extreme end of scale some mistake worship for the act of singing religious songs It is disheartening to note that most believers have not fully comprehended the difference between praise and worship The difference between praise and worship is that praise is an affirmation of God's works while worship is an affirmation of God's presence We praise God for what He has done but we worship Him for who He is In this publication Apostle Frequency Revelator contends that

Worship is in the heart of God and worship is what God wants us to do This book presents a revelation of what real and true worship is the key dimensions of worship the levels and depths of worship as well as the ways of how to deepen our worship to God It presents worship is a spiritual act of ascribing unto God the Almighty all the glory honour and power due His name the spiritual act of paying homage and reverence to God acknowledging God as a Creator It connotes to exalting God the almighty and expressing our love for Him in songs words prophetic actions and other sounds Therefore to worship God means to glorify Him for being just who He is to adore and acknowledge that God is your all in all Worship is all that we are responding to all that He is It denotes the act of pouring our hearts out to God from the depths of our spirits or inner recesses of our being It involves lifting up your heart soul and body and voice to the Lord in adoration In this publication Apostle Frequency Revelator explores the divine truth that presenting yourself as a vessel of worship is the key to accessing the higher realms of God s glory In worship we experience the original atmosphere of the glory God intended us to be in with Him Worship is an atmosphere or realm in which we were given birth to by God before His throne in Heaven Therefore when we worship God we are home seek as we long to be in this very original atmosphere of glory He created us in In worship you are not concerned with the elements of matter because God becomes the matter you worship for without Him was not anything made that was made He is everything that is and is to be all the while waiting for us to simply worship who He is Oxygen is to a natural man what worship correspondingly is to a spiritual man During worship God inhales our worship and He exhales His glory In the very breath of God is where you will find the atmosphere ripe for the miraculous That s where you find the supernatural mass that provokes a torrent of miracles signs and wonders to break out culminating in a perennial stream flow of praise and worship to the Father The reading of this book will therefore catapult you to the highest realms of worship where your spirit will commune with God causing you to tread in the most sacred territories of the glory realm

grace as not getting the judgment they deserve and receiving the eternal life they don't deserve. But the greatness of God's grace and his salvation are far more than what most of us have come to expect. Here Randy Clark shares what that more is: more love for God and others, more power, more joy, more faith, more results in prayer, and how believers can experience God's empowering presence in their lives to do more than they ever imagined.
