Ecclesiastes The Futility Of Life Without God:

Ecclesiastes Troy A. Fritch Sr.,2014-08-26 Man has long since sought to become something in this existence called life He seeks to leave a legacy of remembrance and great achievement behind for generations to follow But through the Wisdom of Solomon as given by The Almighty God of Creation we are to learn that all mans efforts are futile and absolute

worthlessness if God has not been made the central part of your life **Urban Legends of the Old Testament** David A. Croteau,Gary Yates,2019-12-01 Urban Legends of the Old Testament surveys forty of the most commonly misinterpreted passages in the Old Testament *The Wiersbe Bible Commentary: Old Testament* Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of God s Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe s trustworthy insights on the entire Old Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook

Dr. John Mannion,2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber s My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase

Richard's Bible Commentary Richard Hirsch,2020-03-31 This is a Layman s commentary on Bible scripture as close to a literally common sense interpretation as possible not necessarily in accordance with denominational doctrine theological views or historical interpretations It is intended as an aid to newer students of the Word to obtain a truer understanding of scriptures as contained in contemporary Bible translations Special emphasis is given to unfulfilled prophecy of God s endtimes scenario as further discussed in the New Testament pertaining to the nation of Israel the Jewish people and people of other Gentile nations This information is a necessary foundation for a better understanding of the New Testament portion

of the Bible Christian Basics Bible NLT Martin H. Manser, Michael H Beaumont, 2017 Finalist for the 2018 Christian Book Award for Bible of the Year New to the Bible Either because you have become a Christian recently or because somehow the Bible seems to have passed you by Then this edition is for you Whether you are reading the Bible for the first time or not its variety of material not to mention its length can seem overwhelming It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith The Christian Basics Bible is filled with features designed to help readers especially those new to the Bible connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives By delivering the right amount of both information and application The Christian Basics Bible can become the catalyst for living a vibrant Christian life **Can We Believe It?** George Arthur Frederick Seber, 2016-03-21 Many people today believe that Christianity will not stand up to a scientific or intellectual investigation and that science has all the answers Such an attitude shows an ignorance of the wealth of available philosophical arguments and scientific information that Dr Seber taps into in this book Initially he shows that mathematics and science are limited in what they can prove in spite of modern advances He then summarizes his material using basic questions as ten chapter headings Does God exist is there a spiritual dimension do we have free will is the Bible reliable who is Jesus do miracles occur why does God allow suffering and evil is Christianity a blessing or a curse to society what about evolution and how can we get to know God The reader may have other questions and a number are considered within each chapter such as problems with philosophical materialism and atheism He draws his material from many sources including statistics physics cosmology genetics philosophy history biochemistry theology psychology archaeology and biology Comparatively new subjects like epigenetics chaos theory and quantum mechanics that many people are not aware of are brought into the picture These topics change our thinking about reality Knowing God's Word Stanley A. Witnesses movement from earliest days to the present the author proceeds to a searching discussion of the actual teachings of the Watch Tower Society s argument Their statements are considered fairly before the author goes on to show why Christians on Scriptural grounds cannot accept those claims Thus equipped Christians can use the information in this book to deal with Jehovah s Witnesses honestly and lovingly yet on a purely Scriptural basis *God's Masterwork* Charles R.
