Does God Send Sickness Vindicating:

Does God Send Sickness? Troy J. Edwards, 2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar

Vindicating God Troy J. Edwards, 2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God s enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God s character then they will not be easily swayed by those who speak against it They will see that there are better ways to

understand the passages often presented by those who choose to denigrate God's character *Stop Blaming God For the Work of the Enemy* Troy J. Edwards, 2016-03-29 And he shall speak great words against the most High and shall wear out the saints of the most High Dan 7:25 Satan is a slanderer who has deceived men into falsely blaming God for his own works Sadly the majority of Christians have bought into his deceptions and denigrate God's character in their sermons and Bible studies In this study we will examine several areas in which God is always getting the blame even from His own children and show the reader that Scripture actually points to Satan as the culprit Once we have learned this truth then we will learn how to walk in victory over all satanic circumstances **God is Said to do that which He Only Permits** Troy J.

Edwards, 2015-12-04 It is usual in Scripture to attribute to the Supreme Power acts which are virtually those of his instruments and which he merely permits Charles Edward Fraser Tytler Many false charges have been leveled at God by His critics atheists agnostics satanists etc due to misreading the Bible Part of the problem has been the failure to understand the idiomatic language used in the Ancient Near East especially among the Hebrew people from which our God inspired Scriptures have their origin This failure has led to more misunderstandings about God and His inspired Word than we can attest to While the Hebrews had numerous idioms I am fully persuaded that the most neglected one among theologians and Bible translators has been what I prefer to label as the permission idiom This is the idiom that as we will learn in this study scholars tell us is one in which God is said to be the cause of that which He merely allowed or permitted or did not prevent from happening May the Lord use this book to help you understand Him and your Bible better **Untying God's "Nots"**

Troy J. Edwards, 2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54:15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God's character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible's teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ's victory over him **The Lord**

SENT It Troy J. Edwards, 2016-11-16 There are numerous places in Scripture where God says that He will send or is said to have sent a disaster a plague pestilence delusion an evil spirit a cruel and ruthless enemy army ferocious man eating wild animals and other harsh judgments Atheists use such passages to castigate the God of the Bible Some theologians use such passages to present theological views of God that make Him appear to be harsh unloving and unfair Other Christians avoid such passages altogether believing that certain parts of the Bible are too difficult or irrelevant However an often neglected principle of Bible interpretation is found in the statement that God is said to send or to have sent that which He merely did

not prevent or hinder When we understand this truth then we get a better picture of the God who is exactly like Jesus Christ

Why? Troy J. Edwards,2016-02-12 In this book I want to prove to the reader that the Bible offers a satisfactory answer to the why questions many have in relation to an omnipotent but good God in contrast to the rampant heart breaking evil we see in our world Many people are fed up with the standard Christian responses on this subject Though some claim to give Biblical answers to our why questions we often receive responses that consign much of God s alleged activity to divine mysterious purposes I pray that I will be able to answer some of your why questions in a satisfactory manner I believe that the answers I provide here are enough to vindicate God s goodness and justice in the light of evil I also believe that this book will help you to see a picture of a loving God who never planned any of this evil and pain I hope you will see that He is at war with evil is doing all that He can to rescue us from evil now and who will in His omnipotence one day rid this universe of evil forever

How? Troy J. Edwards,2016-03-08 In this book How We will look at a number of God s acts recorded in the Bible those acts that upon a superficial reading of Scripture paint Him as malicious harsh hypocritical and in some cases worse than the humans whose sin He punishes Hopefully when you see the explanations that the Word of God itself offers you will see the Father of our Lord Jesus Christ in a new light Some of the questions this book attempts to answer are How Does God Reveal His Wrath How Does God Bring Judgment How Does God Create Evil How Does God s Hand Go Against Sinners How Does God Punish How Does God Kill How Does God Smite How Does God Curse How Does God Tempt How Does God Deceive How Does God Harden Hearts How Does God Destroy How Does God Send Sickness **God Didn't Do It** Troy J.

Edwards,2019-02-03 We hear the religious cliché quite often God is in control God took my child God s ways are mysterious His wonders to perform and other statements attributing life s hardships to God God has been falsely accused of doing things that He actually hates In this short book we use the Bible God s own written Word to set the record straight concerning His involvement in the harsh realities of life When you have finished reading this book you will no longer blame God for the difficulties you encounter and you will be able to point others to a loving kind God who is for us and not against us *The*

Permissive Sense Troy J. Edwards,2017-12-29 One does not have to read too far into the Bible to find that it says the following about Him God hardened people s hearts God put lying spirits in the mouth of false prophets God personally deceived prophets God Blinded people to the truth God inflicted sickness God sent natural disasters God moved people to sin God tempted men God intentionally gave men unrighteous laws God created evil And even more Such statements have presented insurmountable difficulties to Bible readers Failure to understand them properly have led to doctrines that paint God in less than a favorable light However when we understand the permissive sense most difficulties with such verses will disappear This book will help you understand this important principle and will remove all doubt about God s love goodness and holiness *A Vindication of Thomas Paine.
