Critical Ethnography and Education Katie Fitzpatrick, Stephen May, 2022-04-28 In this book Fitzpatrick and May make the case for a reimagined approach to critical ethnography in education Working with an expansive understanding of critical they argue that many researchers already do the kind of critical ethnography suggested in this book whether they call their studies critical or not Drawing on a wide range of educational studies the authors demonstrate that a methodology that is lived embodied and personal and fundamentally connected to notions of power is essential to exploring and understanding the many social and political issues facing education today By grounding studies in work that reimagines troubles and questions notions of power injustice inequity and marginalization such studies engage with the tenets of critical ethnography Offering a wide ranging and insightful commentary on the influences of critical ethnography over time

Fitzpatrick and May interrogate the ongoing theoretical developments including poststructuralism postcolonialism and posthumanism With extensive examples excerpts and personal discussions the book thus repositions critical ethnography as an expansive eclectic and inclusive methodology that has a great deal to offer educational inquiries Overviewing theoretical and methodological arguments the book provides insight into issues of ethics and positionality as well as an in depth focus on how ethnographic research illuminates such topics as racism language gender and sexuality in educational settings It is essential reading for students scholars and researchers in qualitative inquiry ethnography educational anthropology educational research methods sociology of education and philosophy of education Handbook of Critical Policy Studies
Frank Fischer,Douglas Torgerson,Anna Durnová,Michael Orsini,2015-12-18 Critical policy studies as illustrated in this Handbook challenges the conventional approaches public policy inquiry But it offers important innovations as well in particular its focus on discursive politics policy argumentation and deliberation and interpretive modes of analysis

Critical Ethnography D. Soyini Madison,2019-02-06 What is critical ethnography How do we use theory to interpret research data What is performance ethnography You can find answers to these fundamental questions in D Soyini Madison s engaging and highly multidisciplinary Third Edition of Critical Ethnography Methods Ethics and Performance The book presents a fresh new look at critical ethnography by emphasizing the significance of ethics and performance in the art and politics of fieldwork The productive links between theory and method are celebrated in this title Theoretical concepts range from queer theory feminist theory and critical race theory to Marxism and phenomenology The methodological techniques range from designing and asking in depth interview questions and developing rapport to coding and interpreting data The various theories and methods culminate in three fictional ethnographic case studies that enact the interdependence between theory and method and the significance of social theory ethics and performance Introduction to Research Methods
Catherine Dawson,2009-05-29 This practical down to earth guide is for researchers students community groups charities or employees in fact anyone who needs to put together research projects quickly and effectively It contains everything from developing your idea into a proposal through to analysing data and reporting results Whether you have to undertake a project as part of your coursework or as part of your employment or simply because you are fascinated by something you have observed and want to find out more this book offers you advice on how to turn your ideas into a workable project Specifically it will show you how to choose your research methods choose your participants prepare a research proposal construct questionnaires conduct interviews and focus groups analyse your data report your findings be an ethical researcher

Qualitative Communication Research Methods Thomas R. Finding Your Way in Qualitative Research Elizabeth Henning, 2004

Introduction to the Philosophies of Research and Criticism in Education and the Social Sciences James L. Paul, 2005 This rigorous volume focuses on the underlying perspectives justifying the major approaches currently being used in educational research Introductory chapters lay the foundation for exploring varying research perspectives Nine specific perspectives on research post positivism pragmatism constructivism ethics and deliberate democracy criticism interpretivism race ethnicity gender arts based research and post structuralism are examined through discussions written by senior scholars known for their expertise in the perspective And a guided tour of criticism is given in which these same scholars demonstrate the use of the critical method by critiquing six studies selected as exemplars of different research approaches For education students who aspire to become researchers and for those who simply need to read and understand research literature

Promoting Critical Practice in Adult Education Jennifer A. Sandlin, 2004-07 Offering theoretical and practical knowledge to help critical adult educators in their attempts to enact critical pedagogy in their own classroom this volume explores critical theory feminism critical postmodernism Africentrism queer theory and cultural studies Picking up on the themes first raised by Elizabeth Ellsworth critical theory and classic critical pedagogy do not get a particularly easy ride None of the authors claims that critical approaches are a simple solution to the tangles of late modernity In every case the authors see critical pedagogy as complex insightful challenging limited and difficult to put into practice But in every case they see critical perspectives as offering the hope and potential of a more just world The idea that critical perspectives on teaching are difficult to enact in the classroom is not new And what do we mean by critical perspectives anyway In this volume some of the most exciting scholars in adult education whether established or emerging provide insights into what it means to be critical and how it affects the concrete practices of teaching adults This is the 102nd issue of the quarterly higher education report New Directions for Adult and Continuing Education

BMJ, 2000

The Paradox of Empowerment Ronald F. Wendt, 2001-04-30 Wendt provides a collection of critical stories examining the power and politics of organizational life He looks at workers in frustrating situations and explores a new type of power that is simultaneously beneficial and detrimental The talk language and discourse that constitute the micro paradoxes of work life are investigated Starting with the concept of corporate hegemony Wendt looks at its language provides stories illustrating hegemony and helps the reader envision how hegemony carries over to other social realms like higher education After exploring the

possibility of counter hegemonic resistance including tactical storytelling Wendt sets forth a new theory of suspended power While he shows there is no clear answer or response to the politics of corporate hegemony because it is a persistent dilemma he points the reader to the uses of critical theory to understand and adjust to contemporary power dynamics Of particular interest to scholars and students involved with communication management and cultural studies

Qualitative Inquiry and Research Design John W. Creswell,1998 This book explores the philosophical underpinnings history and key elements of five qualitative inquiry traditions biography phenomenology grounded theory ethnography and case study John W Creswell relates research designs to each of the traditions of inquiry and compares each of the research strategies for theoretical frameworks writing introduction to studies collecting data analyzing data writing the narrative and employing standards of quality and verifying results Five journal articles in the appendix offer fascinating reading as well as examples of the five different qualitative designs
