Dollars And Sex How Economics Influences Sex And Love:

Dollars and Sex Marina Adshade, 2013-05-04 There is a marketplace for sex and love and you're in it. In *Dollars and Sex* economist Marina Adshade converts economic theory into a sexy science by applying the principles of supply and demand and other market forces to matters of love and libido. As she does in her hugely popular blog of the same name, Adshade unlocks the mysteries behind our actions, thoughts, and preferences using engaging research, economic analysis, and humor. The end result is a fascinating look at just how central the interplay of libido, gender, love, power, and economic forces is to the most important choices we make in our lives. When dating online, do we create thin markets making it harder to find a mate? What is the relationship between rising rates of casual sex and the widening earning gap? Is modern marriage just an opportunity to consume more goods and services? If teenagers are having sex less frequently, why are STD rates in that group on the rise? Ultimately, Marina Adshade shows that every option, every decision, and every outcome in matters of sex and love is better understood through economics.

Dollars and Sex Marina Adshade Ph.D., 2013 A big book on the economics of sex and love in the style of *Freakonomics*.

Dirty Money Marina Adshade, 2013-05-02 In this witty and revelatory investigation of the so-called dismal science, University of British Columbia professor Marina Adshade skips the usual widgets and uncovers how the market comes to bear on our most intimate decisions: sex, dating, courtship, love, marriage, even breaking up. The science of sexonomics is born. How much money does an ugly guy need to have to attract as many women via an online dating site as a hot man? Is modern marriage just an opportunity to consume more goods and services? Does raising the price of beer reduce risky sex? Why does a spike in the sale of sex toys predict an upcoming recession while an increase in the number of breast lifts indicates a perkier economy is on the way? Which comes first: a prosperous nation or a promiscuous one? Once you read *Dirty Money*, you'll never look at your money or your relationships the same way again.

Dollars And Sex Marina Adshade, 2013-02-26 In *Dollars and Sex*, economist Marina Adshade converts economic theory into a sexy science by applying the principles of market forces to matters of love and the libido. As she does in her hugely popular blog of the same name, Adshade unlocks the mysteries behind our actions, thoughts, and preferences using engaging research and economic analysis and a no small dose of humour. The result is a fascinating look at how the most important choices we make are influenced by the interplay between sexual drive, gender, love, power, and economic forces. In *Dollars and Sex*, you'll find answers to such questions as: Is modern marriage just an opportunity to consume more goods and services? What is the relationship between rising rates of casual sex and the widening earning gap? How do we sabotage our chances of finding a mate when dating online? Ultimately, Adshade shows that every option, every decision, and every outcome in matters of sex and love is better understood through economics.

The Sex Effect Ross Benes, 2017-04-04 A gripping exploration of the relationship between sex and our society, with a foreword by bestselling author A.J. Jacobs. Why do political leaders become entangled in so many sex scandals? How did the U.S. military inadvertently help make San Francisco a mecca of gay culture?

And what was the original purpose of vibrators Find out the answers to all these questions and more as journalist Ross Benes delves into the complicated relationship between everyday human life including religion politics and technology and our sexuality Drawing on history psychology sociology and more The Sex Effect combines innovative research and analysis with captivating anecdotes to reveal just how much sex shapes our society and what it means for us as humans as we continue to struggle with the wide ranging effects our sexuality has on the world around us *Cheap Sex* Mark Regnerus,2017 Cheap sex and the modern mating market Cheaper faster better more contemporary sex in America The cheapest sex trends in pornography use and masturbation The transformation of men marriage and monogamy The genital life **The Love**

Under the Influence Robert H. Frank,2021-10-19 From New York Times bestselling author and economics columnist Robert Frank bold new ideas for creating environments that promise a brighter future Psychologists have long understood that social environments profoundly shape our behavior sometimes for the better often for the worse But social influence is a two way street our environments are themselves products of our behavior Under the Influence explains how to unlock the latent power of social context It reveals how our environments encourage smoking bullying tax cheating sexual predation problem drinking and wasteful energy use We are building bigger houses driving heavier cars and engaging in a host of other activities that threaten the planet mainly because that s what friends and neighbors do In the wake of the hottest years on record only robust measures to curb greenhouse gases promise relief from more frequent and intense storms droughts flooding wildfires and famines Robert Frank describes how the strongest predictor of our willingness to support climate friendly policies install solar panels or buy an electric car is the number of people we know who have already done so In the face of stakes that could not be higher the book explains how we could redirect trillions of dollars annually in support of carbon free energy sources all without requiring painful sacrifices from anyone Most of us would agree that we need to take responsibility for our own choices but with more supportive social environments each of us is more likely to make choices that benefit everyone Under the Influence shows how **Sex**

Crimes and Offenders Mary Clifford,Alison Feigh,2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach

and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts Sex Crimes and Offenders Exploring Questions of Character and Culture uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided
