God Wants to Give You a Miracle Chiadikobi L Emmanuel,2020-06-11 Believing God For a Miracle In as much as man does not live on miracles but by principles yet he needs miracles for excellence This is because man faces periodic indomitable problems in his life and career as a result of obstructive spiritual intrusions and human limitations Eventually man s limitations beckon on God s visitations and the result

is miracle God performs miracles not just because He is God but because man needs it Man therefore is the purpose of a miracle No matter man's abilities he must come to a point where he hits the wall and at such times expertise and competence fail counsel and principles yield no results and all efforts bear no fruits At such moments man needs a supernatural aid This is true of every man on earth For example irrespective of the endless principles on sound health and wealth more than ninety per cent of the world's population lives in sickness and poverty Why This is because principles must couple with miracles for excellence to be achieved man needs God in all his efforts Thus every man needs miracles and the good news is that God wants to give supernatural aid to him Man's powers has limitation but God's miracle knows no limit This book covers the following The purpose of miracles How miracles works The secrets to accessing god's miracles How to become a living ark of testimony How to use your faith to tap miracles from god How to use the word of your mouth to get miracles Unbelievable real life testimonies and more The disciples could have been drowned by the tempest had Jesus not rescued them miraculously Peter could have been beheaded like James had the angel not rescued him from the prison The wife of the prophet could have lost her two sons to the creditors had Elijah not intervened with a miraculous hand Such is life since the fall of man By miracles God took the Israelites out of Egypt and by miracles He took them to the Canaan Land even so by miracles God will guide you into your destiny both eternal and temporal hence the book God Wants to Give You a Miracle Are you still reading Click the BUY NOW button to get your copy now *The Twelve Conditions of a Miracle* Todd Michael, 2008-09-04 This extraordinary new understanding of the biblical parable of the loaves and fishes reveals within the original Greek text twelve practical methods for living a life of meaning and miracles In this uplifting work Dr Todd Michael meticulously retranslates the parable of the loaves and fishes and makes an astonishing discovery Below the surface deep within the subtleties of the original Greek lies a carefully hidden layer of information Here the actual technique of the miracle is revealed in the form of twelve precise and realistic steps to extraordinary living Scholarly inspiring and amazingly consistent with contemporary metaphysical thought *The Twelve Conditions of a Miracle* is essential reading if you want to work a transformation in your own life *The Magic of Miracles* Phoebe Lauren, 2015-06-23 The first question Phoebe asks and answers in her book is this Do you believe in magic and miracles I do She defines a miracle as a shift in perception which is the definition in A Course in Miracles What you will experience in this book is a revolutionary way to approach life's challenges and to overcome them once and for all Phoebe presents a method that is simple and easy to follow More importantly it is quick changes are permanent and your life will become a miracle Phoebe has had years of experience using this original method in her own life and in those of others in workshops and private sessions The only thing that is essential in order for the process to be effective in your life is that you use it And the simple way of remembering the process which Phoebe invented is to recall the letters of the abbreviation of A Course in Miracles ACIM This is important because the process consists of four steps and each letter stands for one step and you will find out all about it when you read the book
