- the promoter is entitled to **receive remuneration**, the amount of which depends on the **amount of tax advantage** derived from the arrangement,
- the promoter is entitled to receive remuneration and that remuneration is fixed by reference to **tax advantage derived from the arrangement** or the promoter obliged himself to partially or fully refund the remuneration/fees where the intended tax advantage is not achieved or is achieved in the lower amount than expected

on the basis of existing circumstances, it should be assumed that a reasonably acting promoter or beneficiary, to whom the obligations provided for in the Polish MDR regulations would not apply, would like at least one of the following obligations to be actually respected:

- the promoter or beneficiary undertakes to comply with a condition of confidentiality which may require them not to disclose how the arrangement could secure a tax advantage vis-a-vis other third parties, in particular other beneficiaries, promoters or tax authorities,
- the promoter is entitled to receive remuneration and that remuneration is fixed by reference to **tax advantage derived from the arrangement** or the promoter obliged himself to partially or fully refund the remuneration/fees where the intended tax advantage is not achieved or is achieved in the lower amount than expected
