

DOES PEACEKEEPING WORK?

Does Peacekeeping Work Does Peacekeeping Work

Bruce M. Russett

Does Peacekeeping Work Does Peacekeeping Work:

Does Peacekeeping Work? Virginia Page Fortna, 2008-07-21 Fortna demonstrates that peacekeeping is an extremely effective policy tool dramatically reducing the risk that war will resume Moreover she explains that relatively small and militarily weak consent based peacekeeping operations are often just as effective as larger more robust enforcement missions Fortna examines the causal mechanisms of peacekeeping paying particular attention to the perspective of the peacekept the belligerents themselves on whose decisions the stability of peace depends publisher website **Does Peacekeeping Work?** Virginia Page Fortna, 2008-07-21 Fortna demonstrates that peacekeeping is an extremely effective policy tool dramatically reducing the risk that war will resume Moreover she explains that relatively small and militarily weak consent based peacekeeping operations are often just as effective as larger more robust enforcement missions Fortna examines the causal mechanisms of peacekeeping paying particular attention to the perspective of the peacekept the belligerents themselves on whose decisions the stability of peace depends publisher website **The EU, the UN and Collective Security** Joachim Krause, Natalino Ronzitti, 2012 This book examines the effectiveness of multilateralism in ensuring collective security and in particular the EU's role in this process In 1992 shortly after the end of the Cold War a Security Council Summit in New York reaffirmed the salience of the system of collective security and stated the determination of the Heads of State to maintain it as the prime international instrument for preserving peace Twenty years later however the record of collective security as well as of multilateralism has not been very encouraging The system of collective security as enshrined in the United Nations UN Charter failed repeatedly to accomplish its mandate in the 1990s and has led to controversial debates in the United States and Europe that reached a climax during the Iraq crisis in 2002 03 The volume draws upon both theoretical and empirical research to answer the following core questions What are the reasons that have made multilateralism either effective or ineffective in the field of peacekeeping peace preservation and peacebuilding How can multilateralism be made more effective How can attempts made by Europe to render UN multilateralism in the security area more efficient be assessed This book will be of much interest to students of peacebuilding peacekeeping EU policy the UN security studies and IR in general Peacekeeping Effectiveness in Civil War Andrew Levin, 2015 How does peacekeeping work Recent scholarly work has found evidence that on average UN peacekeeping operations improve security during and after civil war However there has been much less exploration of how peacekeeping contributes to peace In this dissertation I challenge the common assumption that the actions of UN soldiers on the ground are critical in reducing violence Drawing on rational deterrence theory I posit that peacekeepers' deficits in military capabilities and resolve diminish their credibility at the sub national level hindering their ability to deter aggression Instead I argue that successful peacekeeping operations occur primarily as a result of the UN's top down efforts to support national peacebuilding efforts To test these propositions I analyze an original georeferenced dataset of sub national peacekeeping

deployment in eight African civil wars during the post Cold War era as well as in depth case studies of UN operations in Burundi and Democratic Republic of Congo that I developed from interviews analysis of existing survey data and secondary research Both my statistical and my case study analysis reveal that the presence of peacekeepers does not reduce local level conflict Yet evidence from Burundi and DRC shows that peacekeeping operations can help improve national security by exerting political and economic influence in key arenas such as electoral administration and countrywide disarmament programs These findings better illuminate how peacekeeping can be effective and have important implications for the design and implementation of future UN peacekeeping operations

International Security and Conflict Bruce M. Russett, 2008 A collection of articles and papers that presents a variety of perspectives on key topics in international security and conflict It draws on international scholars working from different kinds of theories realist liberal institutionalist and constructivist and research methods to ask why nation states may fight violently or stay at peace

Does Peacekeeping Only Work in Easy Environments? An Analysis of Conflict Characteristics, Mission Profiles, and Civil War Recurrence Thorsten Gromes, 2019 Abstract Peacekeeping is widely considered to be an effective means of preventing civil war recurrence However as peace has collapsed in a considerable number of cases despite peacekeeping efforts we are left with the question which combinations of peacekeeping environments and peacekeeping missions lead to lasting peace This article compares 22 peacekeeping missions between 1990 and 2012 While prominent United Nations documents assume that the success of post conflict peacekeeping primarily depends on the features of the mission itself the analysis shows that characteristics of the terminated civil war have a strong influence on whether peace endures Restrained peacekeeping defined by low troop density non robustness and a lead nation that is not a permanent member of the Security Council only succeeds in preserving peace in conducive environments Inconclusive war endings evenly distributed military capabilities at war s end ethnic conflicts and high intensity create a parti

Does Peacekeeping Work? , 2010 Ethnic Conflict: Settlement of ethnic conflict Rajat Ganguly, 2009 Ethnic conflicts in various scales and forms are a feature of the post Cold War international landscape from which no region of the world is completely free In terms of impact it has been equally devastating for both developed and developing states Therefore there has never been a more appropriate time to study ethnic conflict in all its dimensions This four volume collection examines the many facets of ethnic conflict including their causes consequences and resolution Volume I Ethnic Identity includes articles dealing with the various interpretations and meanings of ethnicity and the debate surrounding the formation persistence and salience of ethnic identity Volume II Causes of Ethnic Conflict focuses on causal explanations of ethnic conflict Volume III The Consequences of Ethnic Conflict then focuses on the consequences or impacts of ethnic conflict Finally Volume IV The Settlement of Ethnic Conflict discusses articles that cover the settlement of ethnic conflict

Annual Review of Political Science , 2008 The mission of Annual review of political science is to provide systematic periodic examinations of the field through critical authoritative reviews The comprehensive critical review not

only summarizes a topic but also roots out errors of fact or concept and provokes discussion that will lead to new research activity Each review contains title author s key words abstracts review and bibliography **Annual Review of Global Peace Operations 2006** Center on International Cooperation (New York University),2006 The first comprehensive source of information on peace operations worldwide designed for students scholars and practitioners alike *Peacekeeping & International Relations* ,1997 **Conflict Resolution** Daniel Druckman,Paul Francis Diehl,2006 Humanitarian Assistance and Peacekeeping Tim Laurence,1999 William J. Clinton: 1995 bk. 1 January 1 to June 30, 1995 United States. President (1993-2001 : Clinton),1996 **International Review Service** Avrahm G. Mezerik,1967 Civil Affairs Handbook United Nations. Department of Peace-keeping Operations. Policy and Best Practices Service,2012 **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., Number of Exhibits 11 Received document entitled WRITS OF MANDAMUS REQUESTS FOR STAY AND EXTENSION OF TIME REQUESTED **Journal of International and Area Studies** ,2005 **World Encyclopedia of Peace** Javier Pérez de Cuéllar,Yöng-sik Cho,1999
Parliamentary Debates (Hansard). Australia. Parliament. House of Representatives,2008-05-13
