Edward Irving's Holy Spirit Writings:

Edward Irving's Holy Spirit Writings Edward Irving, 2011-11-21 Edward Irving welcomed and authenticated the supernatural manifestations of the Holy Spirit more than 75 years before the Pentecostal Movement exploded upon the scene of Christian history. This British pastor and theologian challenged the status quo of 19th century Protestantism to reconsider their hardened rejection of the continuation of supernatural gifts of the Holy Spirit beyond the era of the New Testament. Irving wrote with theological wisdom and prophetic vision as to the reasons why miraculous gifts, signs and wonders have a vital role to play in the expression and expansion of the Christian church in every generation. When Pentecostal manifestations spread from the west of Scotland to his London congregation in 1831, Irving was poised to provide biblical theological and practical guidance to these adventurous disciples of the supernatural who were more than a century ahead of their time. Irving's Holy Spirit writings, now in print after more than 150 years of neglect, appear in this fresh and compelling presentation with an artful introduction and helpful chronology of persons and events to introduce to the modern reader this treasury of essays that are sure to enlighten and inspire.

Edward Irving Reconsidered David Malcolm Bennett, 2014-11-04 Samuel Taylor Coleridge called Edward Irving a minister of Christ after the order of Paul. Edward Irving was a great preacher, probably the best in Georgian Britain. He was also a profound theologian and a caring pastor. Yet it is a strange fact of history that this Paul-like minister of Christ was eventually removed from the church he had made famous, unfairly expelled from his denomination for heresy, and at the end of his brief life was demoted in the sect that emerged from his ministry. Towards the end of Irving's life, charismatic gifts emerged in his church amidst great controversy. He had already developed a theological rationale for such gifting, and his extensive teaching on spiritual gifts is still widely consulted today. Edward Irving was and is a controversial figure. It is time that his life, ministry and teaching were reconsidered. Who was Edward Irving? How did he live? What made him outstanding? What made him so controversial? What is his legacy? These are the questions answered in *Edward Irving Reconsidered*. It is a compelling story as sad as it is powerful.

Irving,1833 **The Holy Spirit as Communion** I. Leon Harris,2017-09-26 In *The Holy Spirit as Communion* Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion *The Holy Spirit as Communion* expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father s will through Jesus Christ *The Holy Spirit as Communion* explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation s koinonia as a gift from the Father through the grace of Jesus Christ **Egyptian Pentecostalism: When Cyclones of Divine Power Invaded the Ancient Land** Tharwat Maher Nagib
