Effective Counselling With Young People Counselling And Psychotherapy Practice Series

John McLeod

Effective Counselling With Young People Counselling And Psychotherapy Practice Series:

Effective Counselling with Young People Hazel Reid, Jane Westergaard, 2011-05-20 This book examines key theoretical counselling perspectives and applies these specifically to work with young people. It establishes how to build counselling relationships in order to support young people and enable them to achieve positive outcomes and to manage their lives effectively. It also identifies the key counselling skills needed to engage in purposeful helping conversations. There are sections on understanding adolescent development, exploring person-centred principles and understanding and using motivational interviewing, all of which help to blend academic theory with the realities of practice. *Effective Counselling with Young People* Hazel L. Reid, Jane Westergaard, 2011-01-01

Essential Research Findings in Child and Adolescent Counselling and Psychotherapy Nick Midgley, Jacqueline Hayes, Mick Cooper, 2017-02-13 What can child and adolescent counsellors and therapists learn from research? What evidence is there for the effectiveness of different therapies and techniques? How can developmental or neuroscience research inform or inspire therapeutic work with young people? This book provides the answers to these questions and more. Leading experts in the field take you through the latest research findings in child and adolescent therapy, discussing how each is relevant to the work of practitioners. Today, both therapists and trainees need to be aware of and engage with research findings. The book presents accessibly the current best knowledge and its implications for practice. *Online Guidance and Counseling: Toward Effectively Applying Technology* Popoola, B.I., Adebowale, O.F., 2012-02-28 This book offers a collection of case studies and research from around the globe, comparing and contrasting instructional design and guidance methods from developed and developing countries alike. Provided by publisher.

Introduction to Career Counselling & Coaching Hazel Reid, 2015-10-12 A practical introduction for those training in the field of career development, career counselling and career coaching, this book will take your students through established and emerging theory and the different contexts in which career work takes place, introducing the key skills, techniques and models they will need. Professional issues such as the use of digital technologies highlight the contemporary context of careers work, and all of this is brought to life through engaging case studies and reflective questions, highlighting the practical applications of what is being learnt.

The Handbook of Person-Centred Psychotherapy and Counselling Mick Cooper, Maureen O'Hara, Peter F. Schmid, 2013-05-31 Thoroughly updated to reflect the latest trends in theory and practice, this substantially revised and extended edition is the most in-depth and wide-ranging textbook available on person-centred psychotherapy and counselling. Divided into four parts, it examines the theoretical, philosophical and historical foundations of the person-centred approach, the fundamental principles of person-centred practice and applications of person-centred practice, how person-centred conceptualisations and practices can be applied to groups of clients who bring particular issues to therapy, and finally professional issues for person-centred therapists such as ethics, supervision and training. Written by a diverse range of expert contributors, unified by a more relational ethics-based reading of person-centred

theory and practice this is a comprehensive cutting edge resource for students on all advanced level person centred courses as well as for a wide range of professional practitioners in the field New to this Edition A new introductory chapter looking at contemporary challenges and opportunities for growth for the person centred world Nine further new chapters including work with children and young people older clients arts based therapies addiction and bereavement spiritual dimensions contact and perception working integratively global and political implications Increased use of text learning features to make the chapters more accessible and engaging A greater focus on actual practice with more case studies and examples of therapist client dialogues Increased reference to research A general updating of all chapters to include all relevant references

Effective Supervision for Counsellors Hazel Reid, Jane Westergaard, 2013-02-12 Supervision is an essential part of counselling training and ensuring you get the very best supervision is important to all students at all levels This book introduces both new and in training supervisors and counsellors to the concept of supervision and its purpose within counselling The focus is on key elements of supervision including methods processes skills and policy and the authors examine in depth the development of the supervision relationship Also explored are notions of creativity and flexibility in supervision as well as key concepts such as multi cultural and anti oppressive practice Full of practical activities that link theory to everyday practice this essential textbook will develop your skills as a counsellor in an interactive and engaging way

Counselling and Psychotherapy Practice is a new series written specifically to support students on Counselling and Psychotherapy courses These books are practical in focus concentrate on linking theory to everyday practice and include practical activities to aid learning

Skills in Counselling and Psychotherapy with Children and Young People Lorraine Sherman,2014-11-10 As interest and training in counselling children and young people continues to grow it is essential that counsellors are equipped with the skills to work with this client group In this book Lorraine Sherman draws on her years of experience in the field to provide a practical resource for qualified and trainee counsellors providing them with the necessary skills to ensure best practice with children and young people Distinguishing between working with young children and with adolescents skills covered include establishing a therapeutic relationship assessing a young client contracting counselling practice understanding and maintaining confidentiality and disclosure Using case studies and examples to help demonstrate skills in action this is essential reading for anyone planning to become or already engaged in the helping professions with young people

Resources in Education ,1997 Counselling Young People Louise Porter,2023-12-28 Practical and clearly written this new book from best selling author Louise Porter equips mental health professionals with the knowledge and skills they need to provide insightful guidance and support to children and adolescents The book introduces exciting new models for thinking about young people s needs self esteem and resilience that will invigorate counselling It outlines the most common presenting difficulties for young people and provides clear practical guidance on how professionals in a counselling environment can respond to these in an effective way Offering a coherent blend of theories and practices chapters address a wide range of emotional social behavioural and learning difficulties with which young people may present to counselling such as experiences of grief and loss anxiety and depression disordered eating and dealing with adversity With an aim to empower the book presents a non pathologising approach to counselling that respects the skills that young people bring to working through their challenges Accessible for professionals and trainees alike this book is a must have for anyone working in a counselling capacity with children and adolescents

Researching Psychotherapy and Counselling Rudi Dallos,Arlene Vetere,2005 What are the benefits of conducting research while practising Which research methods are most suitable for busy practitioners How can practitioners weave research into their everyday practice without it becoming a burdensome add on What practical and ethical considerations should counsellors and therapists take into account when researching This book focuses on the issues facing practising clinicians wishing to engage in research It outlines approaches

involving both clients and other professionals in the research and argues for approaches that combine an exploration of the experience as well as the effectiveness of therapies. With an emphasis on doable research, the book examines the dilemmas and challenges for clinicians in recruiting participants and combining research with clinical practice and includes step-by-step guides to doing research projects. Key topics covered include Collaborative research, The ethics of research, Mixed methods of research, qualitative and quantitative, Suitable research methods for busy clinicians, Practice based evidence and evidence based practice. Written by authors with extensive experience of research teaching with clinicians, *Researching Psychotherapy and Counselling* provides a rigorous yet practical guide for trainee and practising counsellors, psychotherapists and clinical psychologists as well as allied mental health professionals.

Counselling Adolescents Kathryn Geldard, David Geldard, 2009-11-25 Filled with practical and effective approaches, this book is an asset to anyone wanting to develop their skills in working with adolescents. Samantha Best, CAMHS Manager and Clinical Nurse Specialist. This publication is a further invaluable resource to counsellors wanting to work with young people. It offers a one-stop shop for any practitioner who wants to understand adolescent development and the need for a counselling approach that parallels this with helpful strategies for enhancing the counselling conversation and the relationship between counsellor and the young person. Barbara Rayment, Director of Youth Access, London. Providing an excellent introduction to counselling young people that is theoretically sound and rich in delivering practical techniques, this book is an important addition to the personal library of counselling students and counsellors. Associate Professor Sylvia Rodger, University of Queensland, St Lucia, Queensland, Australia. In this third edition of their bestselling text, Kathryn and David Geldard provide a practical introduction to the principles and practices required for successful counselling to show that working with young people can be both challenging and effective. The book is divided into three main parts covering how to understand the young client as a person, the proactive approach of working with young people, the counselling skills and strategies needed. This Third Edition has been completely revised and updated and includes two new chapters. The first, *Maintaining a Collaborative Relationship*, identifies ways to engage a young person collaboratively throughout a proactive counselling process. The other, *Professional and Ethical Issues*, deals with these issues as they relate to working with young people. Additional practical case studies and examples show how counsellors can work proactively with this age group. The book will be of particular interest as a textbook and resource to all professionals who work with emotionally disturbed young people and will provide an excellent resource for trainees in courses on counselling, social work, psychology, occupational therapy, mental health and psychiatry, nursing and education.

Counseling and Psychotherapy with Children and Adolescents H. Thompson Prout, Alicia L. Effective Counselling With Young People Counselling And Psychotherapy Practice Series Introduction

In today's digital age, the availability of Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Effective Counselling With Young People Counselling And Psychotherapy Practice Series versions, you eliminate

the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Effective Counselling With Young People Counselling And Psychotherapy Practice Series books and manuals for download and embark on your journey of knowledge?

FAQs About Effective Counselling With Young People Counselling And Psychotherapy Practice Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Effective Counselling With Young People Counselling And Psychotherapy Practice Series is one of the best book in our library for free trial.
