Effective Prayers For Various Situations Vol II:

Effective Prayers for Various Situations Mary J. Ogenaarekhua, 2006-06-15 The Lord instructed us through Luke that we ought to pray always and not to faint I believe that prayer changes things We release the hand of God to move on our behalf when we pray It is my sincere belief that a non praying Christian is an ineffective Christian because it is when we pray that God gives us what we petition Him for We therefore ought to pray in order to change the situations and circumstances that the devil sent against us No believer should allow unclean spirits to run around in his her life without effectively rooting them out Unclean spirits defile people and seek to hinder our Christian walk They promote a life style of promiscuity fornication profanity perversion and other ungodly behaviors The prayers in this book will help you to drive them out Know that your Christian walk must be in right standing before you can effectively go against evil spirits to destroy their activities You cannot walk in rebellion and expect to be able to destroy rebellious spirits also because they have roots in you The Lord taught me that rebellion cannot put down rebellion It takes someone who is walking in righteousness to be able to pull down rebellious spirits Also the Word of God says that there is no peace to the wicked Therefore do not expect to see peace in your life if you are walking in wickedness You must first choose righteousness before the prayers in this book can be effective in your life Jesus said Let him that have hears hear what the Spirit says
