## **Edward II Regiment Perfect Sunshine Ebook:**

Edward II Christopher Marlowe, 2024-08-23T19:01:11Z Edward II is one of the earliest English history plays The narrative begins late in Edward's reign when his court is concerned and disgusted by his almost inexplicably close relationship with the nobleman Gaveston Gaveston has just returned from exile much to the chagrin of Edward's court He wasn't born a noble but holds immense wealth and titles bestowed upon him by Edward as well as his almost complete attention and when Edward begins scorning his own wife in favor of Gaveston's company the rest of the nobles immediately demand his expulsion from England Edward must reluctantly oblige but by then it's too late for the wheels of conspiracy are already in motion Marlowe depicts Edward and Gaveston's relationship as a clearly homosexual one and the themes and events of the play revolve around their relationship's taboo nature But the play also focuses on social status the nobles appear to be just as offended that Gaveston a commoner is gifted the benefits of nobility by Edward as they are by the couple's homoerotic relationship The play is based on material found in Holinshed's Chronicles the same book of history that Shakespeare used as a source for many of his own history plays Marlowe stayed fairly true to history despite some embellishments consequently the play was of interest and performed with regularity well into the seventeenth century with frequent revivals since This book is part of the Standard Ebooks project which produces free public domain ebooks
