Een Schilder In Den Haag A Painter In The Hague:

Rembrandt: The Painter Thinking Ernst van de Wetering, 2016-04-18 Throughout his life Rembrandt van Rijn 1606 1669 was considered an exceptional artist by contemporary art lovers In this highly original book Ernst van de Wetering investigates why Rembrandt from a very early age was praised by high placed connoisseurs like Constantijn Huygens It turns out that Rembrandt from his first endeavours in painting on had embarked on a journey past all the foundations of the art of painting which were considered essential in the seventeenth century In his systematic exploration of these foundations Rembrandt achieved mastery in all of them thus becoming the pittore famoso that count Cosimo the Medici visited at the end of his life Rembrandt never stopped searching for ever better solutions to the pictorial problems he saw himself confronted with this sometimes led to radical decisions and alterations in his way of working which cannot simply be explained by attributing them to a change in style or a natural development In a quest as rigorous and novel as Rembrandt's Van de Wetering shows us how Rembrandt dealt with the foundations of his art and used them to try and become the best painter the world had ever seen His book sheds new light both on Rembrandt's exceptional accomplishments and on the practice of painting in the Dutch Golden Age at large

Rembrandt Ernst van de Wetering, 1997 Rembrandt's paintings have been admired throughout centuries because of their artistic freedom But Rembrandt was also a craftsman whose painting technique was rooted the tradition Rembrandt The Painter at Work is the result of a lifelong search for Rembrandt's working methods his intellectual approach to the art of painting and the way in which his studio functioned Ernst van de Wetering demonstrates how this knowledge can be used to tackle questions about authenticity and other art historical issues Approximately 350 illustrations half of which are reproduced in colour make this book into a monumental tribute to one of the world's most important painters The book is if one may be allowed to say such a thing about a serious scholarly work a gripping good read Christopher White The Burlington Magazine This is a very rich book a deeply felt analysis of an artist whom the author knows better than almost any other living scholar Christopher Brown Times Literary Supplement

A Corpus of Rembrandt Paintings IV Ernst van de Wetering, 2010-07-19 Volume IV of A Corpus of Rembrandt Paintings deals uniquely with the self portraits of Rembrandt In a clearly written explanatory style the head of the Rembrandt Research Project and Editor of this Volume Ernst van de Wetering discusses the full body of work of paintings and etchings portraying Rembrandt He sets the different parameters for accepting or rejecting a Rembrandt self portrait as such whilst also discussing the exact working environment of Rembrandt and his apprentices This workshop setting created a surroundings where apprentices could be involved in working on Rembrandt paintings making it more difficult to determine the hand of the master Van de Wetering who is one of the Rembrandt experts of our day and age goes down to great detail to explain how the different self portraits are made and what techniques Rembrandt uses also giving an overview of which paintings are to be attributed to the Dutch Master and which not In the additional catalogue the self portraits are examined in detail In

clear and accessible explanatory text the different paintings are discussed larded with immaculate images of each painting Details are shown where possible as well as the results of modern day technical imaging like X radiography This work of art history and art research should be part of every serious art historical institute university or museum Nowhere in the art history have all Rembrandt s self portraits been discussed in such detailed and comparative manner by an authority such as Ernst van de Wetering This is a standard work for decades to come **The Splendour of the Dutch Interior** Reinier Baarsen, Salomon Stodel Antiquités, Joseph Estié, 2000 **Pieter Saenredam, The Utrecht Work** Liesbeth M.
