Effective Church Growth Strategies Gene A. Getz, Joe L. Wall, 2000 *Effective Church Growth Strategies* outlines the biblical foundations necessary for raising healthy churches [Strategies for Church Growth](#) C. Peter Wagner, 2010-01-01 Why Plan Strategy Is church growth theory incompatible with belief in the sovereignty of God Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit C Peter Wagner answers no to both questions He further believes that no task could be more crucial than fulfilling the Great Commission in our generation and how to approach and plan for the execution of this task is the questions of the day *Strategies for Church Growth* addresses this key issue in a biblically pragmatic way It brings together for the first time many principles of evangelism and missions which have proved through recent research and experience to be effective in implementing the Great Commission It also unifies in concise form the latest research of the Church Growth Movement the Lausanne Committee on World Evangelization the U S Center for World Mission and numerous other key contributors to the recent explosion of evangelistic technology Among the topics explored are the major components of strategy choosing the appropriate strategy advantages of having a strategy the theology of church growth the harvest principle and soil testing why you should aim for church growth characteristics of good goals the meaning of mission and evangelism how to target your outreach **Church Growth** Donald Anderson McGavran, George G. Theological Wordbook John F. Walvoord, Donald Cambell, John A. Witmer, 2000-10-17 Stimulating theology is an oxymoron for most people Theology sounds like something for the severely intellectual full of complicated ideas that escape the typical Christian reader In reality theology is meant to enhance our understanding of God Most of the words that make up the Christian vocabulary are common words drawn from the realities of life and therefore are easily applicable to real life Based on this premise four leading authors have come together to create this excellent volume *The Theological Wordbook*

tackles tough words such as propitiation regeneration righteousness and predestination but it does so in a natural plain spoken manner designed to be enlightening rather than evasive Also literally dozens of words you are likely to use every day such as forgiveness mind peace rest family truth and guilt have profound biblical value Using The Theological Wordbook can enable you to more fully appreciate what the Bible teaches on these crucial topics and how each of these terms is relevant for life today As this happens your understanding of God will expand And as the words you use speak and hear in the community of faith become more familiar you will become more connected to your own spiritual heritage The Theological Wordbook is the link between understanding God's Word in your head and accepting it in your heart Discipled Warriors Charles E. Lawless, Chuck Lawless, Using solid biblical exegesis Chuck Lawless presents a well rounded proven model for fighting the enemy through the development of a spiritually healthy church This unique book suggests workable strategies and resources for developing disciples prepared for spiritual warfare **How to Break Growth Barriers** Carl F. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They're also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation **A Church Growth Strategy for an Effective Ministry in the 21st Century** George William Compton, 2001 **SANACS Journal 2010:1** Russell Yee, 2010-08-08 This issue of the SANACS Journal is a collection of the seminars and panels from the Asian American Equipping Symposium jointly sponsored by ISAAC Southern California and Fuller Theological Seminary in Pasadena CA Nov 4 5 2009 Ministering to Twenty-First Century Families Dennis Rainey, 2001-06-11 There is nothing traditional about the typical family of the twenty first century and so it follows that ministering to today's families presents an assortment of new challenges Rainey believes that the resources needed by the church to confront and combat family problems do exist and Ministering to Twenty First Century Families is a user friendly guide to combating the destruction of the family unit Offering practical solutions and encouraging action Rainey calls for a roll up your sleeves approach to healing weary families *Church Growth* Donald A. McGavran, George G. Hunter, 1986 **Biblical Church Growth** Gary L. McIntosh, 2003-05 McIntosh explores the biblical basis for church growth giving leaders eternal principles rather than temporary models for growth **Glory Miracles** Miriam Evans, 2022-11-15 Healing evangelist and homemaker Miriam Evans shows how you can personally heal the sick raise the dead cast out demons and operate in the miraculous by creating atmospheres that welcome God's glory **Rise** Cally
