**Michal Rosen-Zvi**

## **Dynamic Fair Dealing Dynamic Fair Dealing:**

**Dynamic Fair Dealing** Rosemary Coombe, Darren Wershler, Martin Zeilinger, 2014-05-27 *Dynamic Fair Dealing* argues that only a dynamic flexible and equitable approach to cultural ownership can accommodate the astonishing range of ways that we create circulate manage attribute and make use of digital cultural objects The Canadian legal tradition strives to balance the rights of copyright holders with public needs to engage with copyright protected material but there is now a substantial gap between what people actually do with cultural forms and how the law understands those practices Digital technologies continue to shape new forms of cultural production circulation and distribution that challenge both the practicality and the desirability of Canada's fair dealing provisions *Dynamic Fair Dealing* presents a range of insightful and provocative essays that rethink our relationship to Canadian fair dealing policy With contributions from scholars activists and artists from across disciplines professions and creative practices this book explores the extent to which copyright has expanded into every facet of society and reveals how our capacities to actually deal fairly with cultural goods has suffered in the process In order to drive conversations about the cultural worlds Canadians imagine and the policy reforms we need to realize these visions we need *Dynamic Fair Dealing*

**Dynamic Fair Dealing** Rosemary J. Coombe, Darren Wershler, Martin Zeilinger, 2014-01-01 *Dynamic Fair Dealing* presents a range of insightful and provocative essays that rethink our relationship to Canadian fair dealing policy

**RICHARD ROOD V GENERAL DYNAMICS CORPORATION; JOSEPH SCHIPPERS V SPX CORPORATION, 444 MICH 107 (1993)**, 1993 93416

**Whose Book is it Anyway?** Janis Jeffries, Sarah Kember, 2019-03-12 *Whose Book is it Anyway* is a provocative collection of essays that opens out the copyright debate to questions of open access ethics and creativity It includes views such as artist's perspectives writer's perspectives feminist and international perspectives that are too often marginalized or elided altogether The diverse range of contributors take various approaches from the scholarly and the essayistic to the graphic to explore the future of publishing based on their experiences as publishers artists writers and academics Considering issues such as intellectual property copyright and comics digital publishing and remixing and what it means not to say one is an author these vibrant essays urge us to view central aspects of writing and publishing in a new light *Whose Book is it Anyway* is a timely and varied collection of essays It asks us to reconceive our understanding of publishing copyright and open access and it is essential reading for anyone invested in the future of publishing

**The Right To Parody** Amy Lai, 2019-01-03 In *The Right to Parody* Comparative Analysis of Free and Fair Speech Amy Lai examines the right to parody as a natural right in free speech and copyright proposes a legal definition of parody that respects the interests of rights holders and accommodates the public's right to free expression and describes mechanisms to ensure that parody will best serve this purpose Combining philosophical inquiry with robust legal analysis the book draws upon examples from the United States Canada the United Kingdom France and Hong Kong While it caters to scholars in intellectual property and constitutional law as well as free speech advocates it is

written in a non specialist language designed to appeal to any reader interested in how the boom in online parodies and memes relates to free speech and copyright California. Court of Appeal (4th Appellate District). Division 2. Records and Briefs California (State)., Consolidated Case s D012414 D012839 **The Spiritual Dynamics of Social Work** Hastings Hornell Hart,1920 **The SAGE Handbook of Intellectual Property** Matthew David,Debora Halbert,2014-11-18 This Handbook brings together scholars from around the world in addressing the global significance of controversies over and alternatives to intellectual property IP today It brings together over fifty of the leading authors in this field across the spectrum of academic disciplines from law economics geography sociology politics and anthropology This volume addresses the full spectrum of IP issues including copyright patent trademarks and trade secrets as well as parallel rights and novel applications In addition to addressing the role of IP in an increasingly information based and globalized economy and culture it also challenges the utility and viability of IP today and addresses a range of alternative futures The Trans-Pacific Partnership Matthew Rimmer,2020-12-25 This book considers the impact of the Trans Pacific Partnership TPP on intellectual property and trade The book focuses upon the debate over copyright law intermediary liability and technological protection measures The text examines the negotiations over trade mark law cybersquatting geographical indications and the plain packaging of tobacco products It explores the debate over patent law and access to essential medicines data protection and biologics and the protection of trade secrets In addition the book investigates the treatment of Indigenous intellectual property access to genetic resources and plant breeders rights *Intellectual and Cultural Property* Fiona Macmillan,2020-11-12 This book focuses on the fraught relationship between cultural heritage and intellectual property in their common concern with the creative arts The competing discourses in international legal instruments around copyright and intangible cultural heritage are the most obvious manifestation of this troubled encounter However this characterization of the relationship between intellectual and cultural property is in itself problematic not least because it reflects a fossilized concept of heritage divided between things that are fixed and moveable tangible and intangible Instead the book maintains that heritage should be conceived as part of a dynamic and mutually constitutive process of community formation It argues therefore for a critically important distinction between the fundamentally different concepts of not only intellectual and cultural heritage property but also of the market and the community For while copyright as a private property right locates all relationships in the context of the market the context of cultural heritage relationships is the community of which the market forms a part but does not and indeed should not control the whole The concept of cultural property heritage then is a way of resisting the reduction of everything to its value in the market a way of resisting the commodification and creeping propertization of everything And as such the book proposes an alternative basis for expressing and controlling value according to the norms and identity of a community and not according to the market value of private property rights An important and original intervention this book will appeal to academics and practitioners in both intellectual property and the

arts as well as legal and cultural theorists with interests in this area      California. Supreme Court. Records and Briefs
