Hernández-Saca, Holly Pearson, Catherine Kramarczuk Voulgarides, 2022-12-13 In *Understanding the Boundary between Disability Studies and Special Education through Consilience Self Study and Radical Love* the authors explore what it means to engage in boundary work at the intersection of traditional special education systems and critical disability studies in education The book consists of fifteen groundbreaking accounts that challenge dominant medicalized discourses about what it means to exist within and around special education systems that create space for new conceptions of what it means to teach lead learn and exist within a conciliatory space driven by radical love and disability justice principles The book pushes readers to consider how their own personal professional and programmatic future transformational actions can be driven by disruption and the desire for freedom from the hegemony of traditional special education and White and Ability supremacy *Vital Questions Facing Disability Studies in Education* Scot Danforth, Susan Lynn Gabel, 2006 Disability studies in education is a provocative and innovative field of social inquiry that challenges standard ways of thinking about disability in education practices that serve to exclude disabled people from equal educational opportunity and policies that support or drive inequality This book brings together the best disability studies in education scholars to address the pressing questions facing the field It provides an introduction to the field for the newcomer a sharp challenge to the status quo in special and general education and a map to understanding the serious disability issues confronting education today The SAGE Handbook of Special Education Lani Florian, 2013-12-14 The second edition of *The SAGE Handbook of Special Education* provides a comprehensive overview of special education offering a wide range of views on key issues from all over the world The contributors bring together up to date theory research and innovations in practice with an emphasis on future directions for the role of special education in a global context of inclusion This brand new edition features New chapters on families interagency collaboration and issues of lifelong learning The UN Convention on the Rights of Persons with Disabilities Policy reform proposals Equity and social justice in education The impact of new thinking on assessment Issues and developments in classification The preparation and qualifications that teachers need The Handbook's breadth clarity and academic rigour will make it essential reading for researchers and postgraduate students and also for practitioners teachers school managers and administrators *Disability and the Changing Contexts of Family and Personal Relationships* Gabriele Ciciurkaite, Robyn Lewis Brown, 2024-06-10

Showcasing conceptually innovative work and cutting edge methods related to the study of families this volume presents not just a groundbreaking perspective on disability and family life but also a new paradigm in disability scholarship

**Disability Politics and Theory** A.J. Withers, 2020-06-19T00:00:00Z An accessible introduction to disability studies Disability Politics and Theory provides a concise survey of disability history exploring the concept of disability as it has been conceived from the late 19th century to the present Further A J Withers examines when how and why new categories of disability are created and describes how capitalism benefits from and enforces disabled people s oppression Critiquing the model that currently dominates the discipline the social model of disability this book offers an alternative the radical disability model This model builds on the social model but draws from more recent schools of radical thought particularly feminism and critical race theory to emphasize the role of intersecting oppressions in the marginalization of disabled people and the importance of addressing disability both independently and in conjunction with other oppressions Intertwining theoretical and historical analysis with personal experience this book is a poignant portrayal of disabled people in Canada and the U S and a radical call for social and economic justice *Childhood and Disability in the Nordic Countries* R. Traustadóttir, B. Ytterhus, S. Egilson, B. Berg, 2015-05-05 This collection provides a comprehensive insight into disabled children and youth in Nordic countries It seeks to understand the experiences of children from their own perspectives and takes a multidisciplinary approach grounded in the new social studies of childhood and the Nordic relational approach to disability *Resources in Education* ,1997 The Disability Studies Reader Lennard J.
