Dinner With Jackson Pollock Recipes Art And Nature:

Dinner with Jackson Pollock Robyn Lea, 2015-02-15 Spiral bound handwritten recipes on endpapers **The Unforgettables** Charles C. Eldredge, 2022-11-01 Eminent art historian Charles C Eldredge brings together top scholars to celebrate forgotten artists and create a more inclusive history of American art Why do some artists become canonical while others equally respected in their time fall into obscurity This question is central to *The Unforgettables* a vibrant collection of essays by leading experts on American art Each contributor presents a brief for an artist deserving of new or renewed attention including artists from the colonial era to recent years working in a wide variety of mediums Histories of American art have traditionally highlighted the work of a familiar roster of artists largely white and male The achievements of their peers notably women and artists of color have gone uncelebrated The essays in this volume provide a new and richer understanding of American art expanding the canon to include many worthy talents A number of these artists were acclaimed in their day others having missed that acclaim may achieve it now With contributions from major scholars and museum professionals *The Unforgettables* rescues and revises reputations as it enhances and enriches the history of American art

After Eating Lindsay Kelley, 2023-12-05 An exploration of food ingestion and digestion in the emerging field of the metabolic arts Food appears everywhere in the arts But what happens after viewers carry food away in the intestinal networks activated by social practice art the same way digestion turns food into a body Exploring the emerging field of metabolic arts *After Eating* claims digestion and metabolism as key cultural creative and political processes that demand attention Taking an artist centered approach to nutrition Lindsay Kelley cultivates a neglected middle ground between the everyday and the scientific using metabolism as a lens through which to read and write about art Divided into two parts and full of playful chapter titles such as *Food Babies* and *Poop Circus* *After Eating* investigates multiple facets of the sociocultural implications of body image and body process in body art from the 1970s to the present By engaging the notion of after as an artistic homage or tribute metabolism moves beyond the cell to transform into a method for responding to the most difficult cultural philosophical and political challenges of the contemporary moment Metabolic reading rethinks feminist queer bioart installation and performance projects providing artists students and teachers with new pathways into art theory □□□□□□
