

A photograph of a house at dusk. The house is dark, with a chimney visible on the roof. A window on the left side of the house is brightly lit from within, revealing a room filled with clutter, including what appears to be a bed and various items on the floor. The sky is a deep blue, and the silhouettes of trees are visible in the foreground and background.

*Dirty Secret* Jessie Sholl, 2010-12-28 A fascinating look at compulsive hoarding by a woman whose mother suffers from the disease To be the child of a compulsive hoarder is to live in a permanent state of unease Because if my mother is one of those crazy junk house people then what does that make me When her divorced mother was diagnosed with cancer New York City writer Jessie Sholl returned to her hometown of Minneapolis to help her prepare for her upcoming surgery and get her affairs in order While a daunting task for any adult dealing with an aging parent it s compounded for Sholl by one lifelong complex and confounding truth her mother is a compulsive hoarder *Dirty Secret* is a daughter s powerful memoir of confronting her mother s disorder of searching for the normalcy that was never hers as a child and finally cleaning out the clutter of her mother s home in the hopes of salvaging the true heart of their relationship before it s too late Growing up young Jessie knew her mother wasn t like other mothers chronically disorganized she might forgo picking Jessie up from kindergarten to spend the afternoon thrift store shopping Now tracing the downward spiral in her mother s hoarding behavior to the death of a long time boyfriend she bravely wades into a pathological sea of stuff broken appliances moldy cowboy boots twenty identical pairs of graying bargain bin sneakers abandoned arts and crafts newspapers magazines a dresser drawer crammed with discarded eyeglasses shovelfuls of junk mail the things that become a hoarder s treasures With candor wit and not a drop of sentimentality Jessie Sholl explores the many personal and psychological ramifications of hoarding while telling an unforgettable mother daughter tale *Validate Me! (How my mom's hoarding kind of messed me up.)* Melissa Patton, 2014-04-30 Compulsive hoarding damages house structures threatens safety and health drains bank accounts and estranges a hoarder from the rest of society It goes way beyond just saving stuff It goes deeper than just being a pack rat It is a very real disorder and it affects more than the hoarder In this brief memoir Melissa shares her struggles growing up as the daughter of a hoarder her reality TV experience and the events that followed and her journey through the therapy she did not realize she needed *Validate Me* How my mom s hoarding kind of messed me up opens your eyes to the most important things that get destroyed under the piles **White Walls** Judy Batalion, 2016-01-05 A memoir of mothers and daughters hoarding and healing Judy Batalion grew up in a house filled with endless piles of junk and layers of crumbs and dust suffocated by tuna fish cans old papers and magazines swivel chairs tea bags clocks cameras printers VHS tapes ballpoint pens obsessively gathered and stored by her hoarder mother The first chance she had she escaped the clutter to create a new identity one made of order regimen and clean white walls Until one day she found herself enmeshed in life s biggest chaos motherhood Confronted with the daunting task of raising a daughter after her own dysfunctional childhood Judy reflected on not only her own upbringing but the lives of her mother and grandmother Jewish Polish immigrants who had escaped the Holocaust What she discovered astonished her The women in her family despite their differences were even more closely connected than she ever knew from her grandmother Zelda to her daughter of the same name And despite the

hardships of her own mother daughter relationship it was that bond that was slowly healing her old wounds Told with heartbreaking honesty and humor this is Judy s poignant account of her trials negotiating the messiness of motherhood and the indelible marks that mothers and daughters make on each other s lives Difficult Attachments Kathryn E.

**Trash** Britney Fuller,2014-10-09 To start it was just me and my mom I am an only child and she is a single parent My mother is a trash hoarder Ever since I can remember the house was always messy and stunk At around age 9ish I noticed that something was wrong I started throwing bags of trash away every day just to have my mom freak out when she got home We didn t eat at home anymore because the fridge was disgusting and she used the sink as a trash can so it got clogged We

always ate out we never had a home cooked meal and I ve never had a family dinner at a dinner table I had a stool in the corner of the living room That is what I sat on and that alone I kept that corner as clean as I could Made sure there was foot space and that there wasn t dust on the walls That was my corner my space It never seemed to matter though eventually that spot would get overrun with trash too Trash is Britney Fuller s shocking account of growing up in the house of a hoarder
