Disability Hate Crimes Disability Hate Crimes:

Disability Hate Crimes Mark Sherry, 2016-05-23 Disability hate crimes are a global problem They are often violent and hyper aggressive with life changing effects on victims and they send consistent messages of intolerance and bigotry This ground breaking book shows that disability hate crimes do exist that they have unique characteristics which distinguish them from other hate crimes and that more effective policies and practices can and must be developed to respond and prevent them With particular focus on the UK and USA s contrasting response to this issue this book will help readers to define hate crimes as well as place them within their wider social context It discusses the need for legislative recognition and essential improvements on the reporting of incidents and assistance for individual victims of these crimes as well as the need to address the social exclusion of disabled people and the negative attitudes surrounding their condition *Disability Hate Crime* Leah Burch, David Wilkin, 2024-09-16 Bringing together perspectives from academics practitioners campaigners and activists this book explores the victimology of disability hate crime DHC For the first time this book brings together recent academic thought the stance of those working for the United Nations to further the rights of disabled people and a helpful toolkit on how to advance the status of the disabled victim of hate crime Campaigners support workers and legal scholars present a tangential approach to revealing the plight of disabled victims and their associates The book will reveal the expertise required to understand experiences of victimisation and how to help reconstruct the lives of those affected by this type of violence Never before has a book produced such a nuanced and multidisciplinary approach to discussing disability hate crime This volume will be useful not only for those academically interested in how disability hate crime is perpetrated but also for scholars who wish to study how to raise awareness and lobby for change It is essential reading for those engaged with hate studies victimology disability and vulnerable communities as well as practitioners and campaigners Disability, Hate Crime and Violence Alan Roulstone, Hannah Mason-Bish, 2012-08-21 This book provides a comprehensive and interdisciplinary examination of disability hate crime and violence exploring its emergence on the policy agenda Engaging with the latest debates in criminology disability and violence studies it goes beyond conventional notions of hate crime to look at violences in their myriad forms as they are seen to impact upon disabled people s lives Despite a raft of relevant policy and legislation few have attempted to draw together research on the disabled as victims of hate crime and violence This innovative volume conceptualizes issues of disability hate crime and violence and connects empirical research with theoretical insights Making links between criminal justice policy social care and welfare it highlights areas of best practice and makes suggestions for policy and legislative reform Disability Hate Crime and Violence is written in accessible language with minimal jargon and an international focus Each chapter is grounded in research and practice with relevant policy and legislation clearly signposted throughout Disability Hate Crime and Violence provides a much needed theoretical and practical investigation of the key issues around disabled hate crime and violence It is an important work for students and

academics researching and studying in disability studies criminology social policy and sociology as well as those with an interest in domestic violence studies and broader historical and philosophical constructions of disability violence and social harms

Disability Hate Speech Mark Sherry, Terje Olsen, Janikke Solstad Vedeler, John Eriksen, 2019-11-08 This book the first to specifically focus on disability hate speech explains what disability hate speech is why it is important what laws regulate it both online and in person and how it is different from other forms of hate Unfortunately disability is often ignored or overlooked in academic legal political and cultural analyses of the broader problem of hate speech Its unique personal ideological economic political and legal dimensions have not been recognized until now Disability hate speech is an everyday experience for many people leaving terrible psycho emotional scars This book includes personal testimonies from victims discussing the personal impact of disability hate speech explaining in detail how such hatred affects them It also presents legal historical psychological and cultural analyses including the results of the first surveys and in depth interviews ever conducted on this topic in some countries This book makes a vital contribution to understanding disability hatred and prejudice and will be of particular interest to those studying issues associated with hate speech disability psychology law and prejudice

Tackling Disability Discrimination and Disability Hate Crime Paul Giannasi, Robina Shah, 2015-03-21 A powerful and comprehensive look at disability discrimination and disability hate crimes offering recommendations for a cross government response to ensure disabled people are seen and treated as equal citizens

Understanding Disability and Everyday Hate Leah Burch, 2021-11-05 This book examines disability hate crime It focusses on key questions concerning the ways in which hate is understood and experienced within the context of the everyday in addition to the unique ways that hate can hurt and be resisted It introduces readers to questions surrounding the conceptual framework of hate and policy context in England and Wales and extends these discussions to center upon the experiences of disabled people It presents a conceptual reconsideration of hate crime that connects hate disability and everyday lives and spaces using an affective embodied and emotional understanding of these experiences Drawing on empirical data this framework helps to attend to the diverse ways that disabled people negotiate respond to and resist hate within the context of their everyday lives The book argues that the affective capacity of disabled people can be enhanced through their reflections upon hateful experiences and general experiences of navigating a disabling social world By working with the concept of affective possibility this book offers a more affirmative approach to harnessing the everyday forms of resistance already present within disabled people s lives It speaks to academics students and practitioners interested in disability affect studies hate crime studies sociology and criminology

Disability Hate Crime David Wilkin, 2019-11-10 This book examines the experiences of disabled people on public transport to reveal the everyday abuses that many experience there and the resilience that they need in order to conduct an ordinary life This work represents an

intertwining of personal journeys with its author writing from first hand experience and now working as one of the leading researchers of disability hate crime DHC in the UK DHC is an under researched area and the findings in this book have implications beyond the public transport context This book draws on a sample of 56 victim participants and includes data drawn from public transport regulators service operators and staff in the UK Wilkin argues that established legislation needs to be recognised and implemented by regulatory and local authorities in order to reach equality objectives on public transport Each chapter is clearly structured accessibly written and includes key definitions which will speak to practitioners and academics with an interest in victimology policing social policy gender studies disability studies migration studies equality studies and religious studies This book also examines how effectively authorities and service providers safeguard disabled people on UK public transport and reveals adaptive approaches to researching with disabled people Hate Crime Policy and Disability Seamus Taylor,2022-09-26 Scholars students policy officials legislators NGOs and activists in the field of hate crime **The Routledge Handbook of Disability, Crime, and Justice** Stephen J. Macdonald,Donna Peacock,2025-05-22 Offering an interdisciplinary exploration of the complex relationships between disability crime and victimisation this comprehensive handbook gathers insights from leading scholars across diverse fields including disability studies criminology history sociology forensic psychology forensic psychiatry and the neurosciences who have conducted extensive research in these areas Adopting a global perspective this volume applies various theoretical frameworks to explore the experiences of diverse disabled communities including those with mental health issues neurodiversity sensory impairments and physical disabilities as they interact with the criminal justice system It also presents contemporary perspectives on crime and victimisation encompassing biomedical biopsychosocial structural cultural and realist approaches and in doing so it delves into critical issues including marginalisation discrimination exclusion and intersectionality while also addressing the inherent disablism and ableism apparent in the justice system Divided into five comprehensive sections Introduction to the Routledge International Handbook of Disability Crime and Justice Histories of Disability and Crime Biomedical and Biopsychosocial Criminology Structural Disability Criminology Cultural Disability Criminology and Realist Disability Criminology this groundbreaking publication covers a wide range of topics These include disability theory penal populations community interventions policing probation courts prisons hate crimes interpersonal victimisation domestic violence sex work marginalisation deviance media representations and systemic ableism disablism within the justice system The Routledge Handbook of Disability Crime and Justice stands as a definitive guide to disability crime and justice and will be of value to all those with an interest in this area **Encyclopedia of Disability** Gary L Albrecht,2006 Presents current knowledge of and experience with disability across a wide variety of places conditions and cultures to both the general reader and the specialist *Disability Hate Crime and Social Work* Christopher J. Fox,2019 According to statistics from the Crown Office and Procurator Fiscal Service instances of disability hate crime in Scotland have been rising since 2010 The

reasons for this have yet to be fully explored in research although there is a strong belief amongst those working with disabled people that the vast majority of such incidents go unreported This study explores disability hate crime conceptually and in practice through the testimony of disabled people themselves and social workers who work alongside them Utilising Social Relational Model of disability alongside a methodology influenced by Interpretative Phenomenological Analysis the study aims to fill the gap in research by positioning disabled people s voices at the forefront of the data collected and analysed By conducting interviews with disabled people social workers and disabled people s organisations in central Scotland the study finds that an individual s relationship with a disability identity can play a significant impact in how disabled engage with disability hate crime as a concept and that while social workers remain enthusiastic and supportive of disabled people who are experiencing disability hate crimes they themselves suggest that they are being hindered in their ability to offer their best practice as pressures of time money and management are inhibiting their efforts in the area

Disability Hate Crime Sheetal Venugopal,Glasgow Community and Safety Services,Glasgow Community and Safety Services Staff,2013 Intellectual Disability and Stigma Katrina Scior,Shirli Werner,2016-09-16 This book examines how intellectual disability is affected by stigma and how this stigma has developed Around two per cent of the world s population have an intellectual disability but their low visibility in many places bears witness to their continuing exclusion from society This prejudice has an impact on the family of those with an intellectual disability as well as the individual themselves and affects the well being and life chances of all those involved This book provides a framework for tackling intellectual disability stigma in institutional processes media representations and other less overt settings It also highlights the anti stigma interventions which are already in place and the central role that self advocacy must play **Joint Review of Disability Hate Crime Follow-up** ,2015 *Disabled People's Groups* ,2012 *LIVING IN A DIFFERENT* Great Britain. Criminal Justice Joint Inspection,2013 Examining Crime and Justice around the World Janet P. Stamatel,2020-11-04 A thorough and timely investigation of both well established and emerging crime and punishment issues this book provides readers with compelling examples of how different countries around the world confront these problems This book offers a detailed look at 10 hot topics in crime and punishment that are shared by many countries Some of these topics are well established within the field of criminology such as patterns of criminal behavior juvenile delinquency drug trafficking policing and punishment others are emerging topics that have not been well studied across a variety of countries such as violence against women hate crimes and gun control Within each topic the book explores how eight countries experience the issue highlighting similarities across different places as well as unique treatments of the problem The chapter on punishment addresses the widespread use of incarceration as criminal punishment but also considers different philosophies with respect to the purpose of incarceration and whether or not this strategy is effective in the face of large scale criminal events such as mass atrocities The country narratives provide historical context for understanding the particular crime or punishment issue current trends

and relevant statistical data for describing the extent of the issue and changes over time in addition to contemporary examples of the issue **The Routledge International Handbook on Hate Crime** Nathan Hall, Abbee Corb, Paul Giannasi, John Grieve, 2014-07-25 This edited collection brings together many of the world's leading experts both academic and practitioner in a single volume handbook that examines key international issues in the field of hate crime Collectively it examines a range of pertinent areas with the ultimate aim of providing a detailed picture of the hate crime problem in different parts of the world The book is divided into four parts An examination covering theories and concepts of issues relating to definitions of hate crime the individual and community impacts of hate crime the controversies of hate crime legislation and theoretical approaches to understanding offending An exploration of the international geography of hate in which each chapter examines a range of hate crime issues in different parts of the world including the UK wider Europe North America Australia and New Zealand Reflections on a number of different perspectives across a range of key issues in hate crime examining areas including particular issues affecting different victim groups the increasingly important influence of the Internet and hate crimes in sport A discussion of a range of international efforts being utilised to combat hate and hate crime Offering a strong international focus and comprehensive coverage of a wide range of hate crime issues this book is an important contribution to hate crime studies and will be essential reading for academics students and practitioners interested in this field Thinking Critically: Hate Crimes Carla Mooney, 2025 A hate crime is a crime against another person or property based on an actual or perceived characteristic of the victim such as race nationality religion sexual orientation gender or disability Hate crimes are often violent crimes such as murder assault arson vandalism and threats of violence
