Discerning Of Spirits:

The Discerning of Spirits Frank Hammond, 2014-11-17 The gift of discerning of spirits is a powerful weapon in the Christian's arsenal. When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church and the gates of hell shall not prevail against her. The weapons God supplies us with are not carnal or fleshly weapons but spiritual ones; they are mighty through God to the pulling down of strongholds. We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom, and faith.

Discerning, Discerning of Spirits. John Joseph Sonia, 2020-12-10 We are living in unprecedented times. If there ever was a time for the body of Christ to discern, it is now. We must be aware of Satan's looming deceptions. How? By using our gift of discerning spirits, we will help rescue all that would fall prey to the great falling away. This on-time book is a divine weapon given by the Holy Spirit to help equip the body of Christ with much needed discernment. John Joseph Sonia has been uniquely trained in the gift of discerning of spirits. Over 35 years ago, John met a great woman of God, Barb Tollefson. Barb trained John for four years during his time at North Central University. Then came his next mentor, John Sandford; he would further train John, which greatly enhanced the maturity of his gift. While attending Fuller Theological Seminary, came influences like Sam Southard, a professor, and Jack Hayford. John has had some of the best training one could have in a gift of the Holy Spirit. As a result of all the years of training, the Holy Spirit revealed to John that he was to write a book and help the body of Christ understand how to discern the gift of discerning of spirits. John has a B.A. in Biblical Studies from North Central University. To further continue his pursuit of truth, John achieved

a M A in theology from Fuller Theological Seminary He is now completing his Ph D He currently resides in southern Minnesota

Accessing the Supernatural Through ... Discerning of Spirits John Edwards, 2023-04-06 Many of us approach Christian activities with hope and faith but without understanding the opposing forces attempting to suppress the results of our prayers This book will open your eyes to the many facets of spiritual warfare and the many ways the Holy Spirit intervenes on our behalf as we engage in it The pages are replete with explanations personal examples anchored in scripture and biblical examples of spiritual warfare You will grow in your understanding and be challenged to engage in it with boldness tempered with wisdom Edna Riley PhD President His Original Design Inc For over 40 years John Edwards was the pastor of New Life Christian Center Croydon in South London Under his leadership the church grew from a small community of forty Christians to well over a thousand members John is a sought after Bible teacher who has taught on the supernatural and deliverance across Europe One of his desires is to see believers equipped to minister in the power of the Holy Spirit wherever they are John is married and has seven children Together with his wife Doris they have taken in and cared for more than 150 foster children over the years *The Discernment of Spirits* Wendy Love Anderson, 2011 Anderson succeeds in neatly fitting together selected pieces of the history of discernment of spirits to provide a valuable readable description of the contours of its evolution in the late Middle Ages Debra L Stoudt Virginia Polytechnic Institute and State University The Medieval Review Late medieval Christians lived in a world of visions but they knew that not all visions came from God angels demons illness nature or passion could also inspire an apparent divine visitation During the thirteenth and fourteenth centuries the involvement of visionaries in everything from reform movements to military campaigns to papal schisms raised the political and spiritual stakes of determining whether or not a vision was truly from God In response a diverse group of medieval thinkers including men and women clergy and laity visionaries and theologians gradually began to transform the loose patristic readings of Pauline *discretio spirituum* into a system with the potential to distinguish between true and false visions and between genuine and delusional visionaries Wendy Love Anderson chronicles the historical political and spiritual struggles behind the flowering of late medieval mysticism and what came to be seen as the Christian doctrine of discernment of spirits **'Discerning the Spirits'** Peter Cavanna, 2006 **Discerning the Spirits** André Munzinger, 2007-08-02 How did Paul determine ethical and theological truth Were all believers expected to be able to discern the spirits 1 Corinthians 12 10 This 2007 study shows that discernment must be understood against the backdrop of an extensive hermeneutic by which Paul inherently relates ethical and theological knowledge Understanding the will of God requires noetic and existential transformation in short the renewal of the mind Romans 12 2 Munzinger argues that Paul implies a process of inspiration in which the Spirit sharpens the discerning functions of the mind because the believer is liberated from a value system dominated by status and performance The love of God enables all believers to learn to interpret reality in a transformed

manner and to develop creative solutions to questions facing their communities For Paul authentic discernment is linked to a comprehensive sense of meaning Discernment Jane Hamon,2019-11-05 We are living in such critical times today that it is imperative for believers to learn to use every tool given to us by the Holy Spirit We are called to be kingdom influencers to discern the times in which we live to discern the moves of the Holy Spirit and to discern angels and demons With extensive expertise and personal experience prophetic leader Jane Hamon takes a deep dive biblically and practically into one of the least known and most unused gifts of the Holy Spirit covering the following topics discerning the presence of God discerning the times discerning angels and demons discerning the hearts of people around you acting wisely with what you discern walking in wisdom and balance and more This book will help you operate in greater spiritual authority and walk in wisdom as you help build God s kingdom on earth **Discerning of spirits** REV. where people are searching for supernatural experiences This has led to a lot of deception both in the World as well as within the Church Not only did Jesus warn His disciples concerning false prophets but the first century Apostles also warned the Church of these prophets and teachers who went about deceiving sincere Christians The need of the hour is to be spiritually alert so that we don t fall victim to deception Discerning of spirits and false prophets is written for this very reason to equip the Body of Christ to discern the disruptive ways of the enemy We trust that this book will help you to understand how the gift of discerning of spirits operates concerning false prophets prophesies angelic visitations and the spirit of Jezebel

Discerning of Spirits : the Unknown Gift Odette Ouellette,1998 Discerning Spirits Nancy Mandeville Caciola,2015-09-25 Trance states prophesying convulsions fasting and other physical manifestations were often regarded as signs that a person was seized by spirits In a book that sets out the prehistory of the early modern European witch craze Nancy Caciola shows how medieval people decided whom to venerate as a saint infused with the spirit of God and whom to avoid as a demoniac possessed of an unclean spirit This process of discrimination known as the discernment of spirits was central to the religious culture of Western Europe between 1200 and 1500 Since the outward manifestations of benign and malign possession were indistinguishable a highly ambiguous set of bodily features and behaviors were carefully scrutinized by observers Attempts to make decisions about individuals who exhibited supernatural powers were complicated by the fact that the most intense exemplars of lay spirituality were women and the fragile sex was deemed especially vulnerable to the snares of the devil Assessments of women s spirit possessions often oscillated between divine and demonic interpretations Ultimately although a few late medieval women visionaries achieved the prestige of canonization many more were accused of possession by demons Caciola analyzes a broad array of sources from saints lives to medical treatises exorcists manuals to miracle accounts to find that observers came to rely on the discernment of bodies rather than seeking to distinguish between divine and demonic possession in purely spiritual terms
