Discernment The Art Of Choosing Well Revised Edition:

Discernment Pierre Wolff, 1993 **Facing Decline, Finding Hope** Jeffrey D. Jones, 2015-02-05 Church today isn't the same as it was fifty years ago or even ten years ago. In spite of the powerful stories of turn around churches with skyrocketing memberships the difficult reality is that most congregations are getting smaller. Jeffrey D Jones asks brave questions for congregations facing this reality: what if membership growth isn't the primary goal for a church? How can churches remain vital even with declining attendance? *Facing Decline Finding Hope* is an essential resource to help congregations confront their shrinking size while looking towards the hopeful reality that God is calling them to greater faithfulness. The book draws on biblical and theological resources as well as contemporary leadership studies to help leaders both clergy and laity set aside a survival mentality and ask new questions to shape ministry more attuned to today's world. *Facing Decline Finding Hope* is a powerful book for leaders who want to honestly assess the size of their church and plan for faithful invigorating service regardless of whether membership numbers are up or down. **Discernment: Art Of Choosing Well** Pierre Wolff, 2002 *Intimate Meanderings* Morgan Zo-Callahan, 2009-08-07 What appeals to me intellectually and emotionally about your book is that reading these pieces together creates a very new context to hold the experience of life. Spirituality what you call meditation is the glue that holds all the parts together. I feel that all your contributors are committed to integrate the fragments of what knowledge and methods we have acquired with real life experience. John Lounibos PhD *Intimate Meanderings* is an inspiring array of insight and bears witness to human life and our innate movement towards wholeness. Roshi Wendy Egyoku Nakao Abbot ZCLA Buddha Essence Temple This book is an amazing potpourri of wisdom. *Intimate Meanderings* should be required reading in every Jesuit tent. Dan Berrigan SJ Most memoirs are I full. Morgan gives us a lot of. We full. Robert Blair Kaiser *Intimate Meanderings* shares the wisdom, inner thoughts and vast experiences of over twenty-five contributors who offer their inspiring reflections on meditation, religion, community involvement, hospice and death ultimately piquing spiritual and literary curiosity for those contemplating their own pilgrimage through life. A glance at the list of contributors, their articles, conversations and poems illustrates their breadth and depth as well as diversity, personal histories both positive and negative that need to be told and not forgotten, spiritual journeys that still have a powerful impact and poetry that captures emotional and motivational moments. Zo Callahan and friends honestly communicate their deepest desires and yearnings as they explore the inner and inter-relational processes of obtaining serenity and joy. **Listening for the Soul** Jean Stairs, This book explores the relationship between the practices of pastoral care and the practices of spiritual direction with the aim of enabling pastoral caregivers to draw upon the guiding principles, resources and techniques of spiritual direction within the Christian tradition. With an emphasis on both practice and presence the book reclaims the tradition of soul care for the pastoral ministry thereby complementing the medical or crisis intervention model of pastoral care with a wellness growth model of pastoral care. *Listening for the Soul Challenges*

clergy to take seriously the relationship between pastoral care and spiritual direction Integrates theological and psychological insights with issues of spiritual life and formation Includes a chapter on the spiritual formation of children Provides practical guidance for integrating spiritual direction with pastoral care Tends to the pastoral caregivers own needs for spiritual deepening Includes reflection questions and case studies to enable the text to function on both the individual reader and classroom levels

The Soul of Discernment Elizabeth Liebert, 2015-08-24 The Soul of Discernment provides concrete steps for groups of people who work together and need to make important decisions church sessions nonprofit hiring committees etc Liebert calls this process the Social Discernment Cycle a process for seeking God's call in a particular situation It is called social because it deals primarily with human communities in their social structural rather than interpersonal aspects Liebert explains It is a cycle because one completed round of discernment prepares for the next The Social Discernment Cycle is particularly apt for any discernment that involves a structure system or institution This book helps groups work through this cycle to answer the question How is God leading us individually or together to act in this particular moment in our organization

The Discerning Heart Wilkie Au, Noreen Cannon Au, 2006 Integrating the wisdom of Christian tradition and psychological findings on effective decision making this book presents a view of Christian discernment that honors the body spirit unity of the person and the broad and mysterious ways we can be led by the spirit of God in our life choices Going beyond discernment skills and concrete practices this book presents a coherent theoretical understanding of discernment that grounds the many spiritual practices used by Christians today By providing a broad and inclusive understanding of the multiple ways God can provide guidance to individuals this book helps individuals to honor the unique and idiosyncratic way that they receive divine guidance as well as provides guidelines that guard against possible self deception and personal blind spots While including anecdotal accounts and practical elements of Christian discernment this book provides a conceptual understanding of discernment that will be helpful for those training to be professional ministers pastors priests religious counselors and spiritual directors It is unique in applying Christian tradition and contemporary psychological insights to the process of discernment
