Disciplemakers Handbook Helping People Grow In Christ:

Disciplemakers' Handbook Alice Fryling, 1989-11-22 What does a healthy discipling relationship look like What do you do together Alice Fryling gathers a team of experienced disciplemakers to give us practical help for understanding and practicing disciplemaking Includes chapters on beginning friendships modeling the Christian life and recognizing growth in others

Following the Master Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers

Discipling Mark Dever, 2016-04-14 Before ascending to heaven Jesus instructed his followers to make disciples of all nations But what does this command actually entail What does it look like for Christians to care for one another's spiritual well being and growth In this introduction to the basics of discipling veteran pastor and author Mark Dever uses biblical definitions and practical examples to show how Christians can help one another become more like Christ every day The eighth volume in the 9Marks Building Healthy Churches series this short book explains how discipling should function in the context of the local church teaching pastors and church leaders how to cultivate a culture of edification and growth in their congregations

Christ Changing Lives Rod Culbertson, 2018-07-31 If you are involved in the local church or any ministry that wants to create an ethos of Christian growth and education or disciple investing *Christ Changing Lives Digging Deeper into the Practice of Disciple Investing* is a book that will assist you in thinking through a philosophy of how to invest in followers of Christ Following up on the introductory material of its earlier companion book *The Disciple Investing Life* *Christ Changing Lives* will take the reader into a thoughtful treatment of systems of discipleship the art of diagnosis situations one might encounter in the discipling process and how to create balanced disciples The book will also conclude by providing some helpful ideas about how to disciple others in a local church or campus ministry setting Both church and ministry leaders as well as those seriously interested in the task of disciple investing should profit from the practical ideas contained in this insightful publication
