Disciplemaking Teachers:

Disciple-making Teachers Josh Hunt, Larry Mays, 1998 Clear practical guide equips adult class educators to produce disciples eager for spiritual growth and ministry *Disciplemaking Teachers* Josh Hunt, Larry Mays, 2014-07-01 Disciples are made not born This clear practical guide equips you with a Bible based proven process that s achieved results in churches just like yours Discover what needs to happen before class in preparation in class during teaching and after class through service You ll explore topics such as discipline in daily life building intimate friendships self image corporate worship lay ministry and much more **Authentic Discipleship** Edward Michael Gross, 2013-04-08 Who is this Jesus Who calls to us Who gave His all and Who asks for everything Who bids you Come follow Me The book Authentic Discipleship tells you what this means And how does one learn to listen To pray To love To walk with Him How do you learn to follow Jesus Authentic Discipleship helps you know how Are you ready to begin the journey Educating Christian Teachers for Responsive Discipleship Peter P. DeBoer, 1993 Five members of the Calvin College Center for Christian Scholarship 1991 1992 team present some creative and constructive proposals for changes that could occur in the teacher education programs of hundreds of church related colleges Theoretically committed to a biblical vision of responsive discipleship the authors sketch out 1 a curricular theory that encourages many sided encounters with created reality which stimulate varieties of student responses that should arise ultimately from a committment of the heart 2 a collaborative model of teacher education that urges congruent values to be held by the local school school district and the teacher education college and 3 a curriculum that arises in part out of the laboratory of the classroom through the interaction of teacher and student in a school organized to develop collegiality among teachers and students where through the use of evaluative portfolios student teachers learn to be reflective practitioners of the art and craft of teaching Co published with the Institute for Christian Studies

Discipleship in the Postmodern Age Dan Kohn, 2010-02-20 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today s disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church **Teach Like a Disciple** Jillian N. Lederhouse, 2016-11-11 Although much has been written about P 12 teaching from a biblical perspective this study focuses on Christ s relationships with a diverse group of individuals wealthy and poor women and men unschooled and well educated loud and quiet influential and powerless those whom Jesus knew well and those who were strangers to him those of his own faith and culture as well as those outside of it These individuals

are remarkably similar to the students we teach in our public and private school classrooms today Each interaction between Jesus and an individual focuses on what we can learn from the student and Jesus as well as what we as teachers can apply in our profession As in our own practice some students learned their lessons well others failed For some we are uncertain when or if they achieved Jesus objective for them Whether we are novices or experienced educators we can learn through these instructive relationships how to be teachers who follow Jesus example in seeing our students potential holistically caring for them and ultimately having a positive impact on their lives Through exploring these biblical relationships we can gain a better understanding of how to teach like Christ s disciple The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts The Disciple-Making Pastor Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church **Discipleship in Education** Joseph Allotta, 2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that

provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential

What Is a Disciple and How Do You Make One? Mark Swiger, 2015-09 In many ways the church has become more adept at adding members than preparing true Christian disciples Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ like maturity requires an approach that is different from the methods often employed today Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity Adding to this problem sometimes pastors struggle with knowing how to equip others for the work of the ministry Swiger has developed a Spirit led manual for disciples and those who lead them Part I of his book is for everyone since every believer is first and foremost a disciple of Jesus Part II speaks to the particular needs of pastors and leaders who are charged

with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God's Word still has the power to transform ordinary believers into disciples who can turn the world upside down *Personal Disciplemaking* Christopher B. Adsit, 1988 The Question how can I Disciple someone how can I motivate them to deepen and broaden relationship with God and to go on with him for the long haul Contagious Disciple Making David Watson, Paul Watson, 2014-12-23 It is hard to deny that today's world can seem apathetic toward Christians Some may look down at their iPhones when we mention God's Word for the check when we bring up church or casually change the subject when we talk about prayer In a world full of people whose indifference is greater than their desire to know Christ how can we dream of growing the church In *Contagious Disciple Making* David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world A companion to Cityteam's two previous books *Miraculous Movements* and *The Father Glorified* *Contagious Disciple Making* details the method used by Cityteam disciple makers This distinctive process focuses on equipping spiritual leaders in communities where churches are planted Unlike many evangelism and church growth products that focus on quick results contagious disciple making takes time to cultivate spiritual leadership resulting in lasting disciple making movements Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church Features include Engagement tools for use in the field Practical techniques to equip others to make disciples Strategic Disciple Making Aubrey Malphurs, 2009-01-01 For many people church is there to meet their needs with programs designed with them in mind *Strategic Disciple Making* teaches these churchgoers to develop a servant's heart Readers will discover that they control the destiny of their church If they seek personal contentment they must grow as disciples and church expert Aubrey Malphurs explains the true meaning of the word This refreshing resource offers a radical how to for renewing faltering faith It is perfect for burned out ministers and downcast church leaders who want a more authentic discipleship experience

Dropping Our Nets: Walking in His Footsteps Teacher's Edition Mark Whitehead, 2017-12-31 In *Dropping Our Nets Walking in His Footsteps TEACHER'S EDITION* we will walk through nine footsteps of what it looks like to follow Jesus In order to follow Him we must drop our old lives This teacher's guide allows you to walk a new believer or a disciple through the basics of following Christ It is designed to accompany *Dropping Our Nets Walking in His Footsteps* Strategies for Transformational Learning Jane Thayer, 2018-05-16 People can be Christians for years and yet fail to be growing more Christlike in their character values and behaviors Preaching or teaching the Bible can add knowledge and even provide motivation but more is needed for real life transformation The purpose of this book is to teach Christian pastor teachers and lay leaders how to teach specifically how to teach for transformational growth leading toward maturity in Christ Someone who doesn't know how to teach and has had no instruction in teaching can take this book and learn how to teach The book is

laser focused on teaching and specifically teaching for transformation which is the goal of discipleship To encourage teaching for transformation the book presents a unique model of how transformation of worldview occurs and gives strategies to help initiate it

Discipleship in Education Joseph Allotta,2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential

A Celebration of Disciple-making Ron Kincaid,1990 Discipleship on Fire Scott Thom,2015-07-22 When the New Testament Church started it grew rapidly but there were no churches Disciples met in homes yet Christianity exploded all around the world How did the apostles do it They built people not buildings They poured themselves into others who in turn mentored even more It was a strong solid church that withstood persecution and hardships This book is a step by step Biblical system to disciple anyone If you are a parent teacher coach or especially a leader in the church you will find this book a continual reference You can recapture the essence of how Jesus trained for success The apostle Paul said Follow me as I follow Christ It is a simple principle but if followed it will set your world on fire
