The Secretary Renée Knight, 2018-12-25 Renée Knight follows up her international sensation Disclaimer with this shivery tale of psychological suspense featuring a character as disturbing and compelling as Mrs Danvers in Daphne Du Maurier's *Rebecca* From her first day as Personal Assistant to the celebrated Mina Appleton Christine Butcher understands what is expected of her Absolute loyalty Absolute discretion For twenty years Christine has been a most devoted servant a silent witness to everything in Mina's life So quiet you would hardly know she is there Day after day year after year Christine has been there invisible watching listening absorbing all the secrets floating around her Keeping them safe Christine is trusted But those years of loyalty and discretion come with a high price And eventually Christina will pay Yet it would be a mistake to underestimate such a steadfast woman as Christine Because as everyone is about to discover there's a dangerous line between obedience and obsession
