# Discovering The Lifespan 2nd Edition

**Robert Stephen Feldman**

## **Discovering The Lifespan 2nd Edition:**

Discovering the Life Span Robert Stephen Feldman, 2021 *Discovering the Life Span Fifth Edition* provides a broad overview of the field of human development. It covers the entire range of the human life from the moment of conception through death. The text furnishes a broad comprehensive introduction to the field covering basic theories and research findings as well as highlighting current applications outside the laboratory. It covers the life span chronologically encompassing the prenatal period, infancy and toddlerhood, the preschool years, middle childhood, adolescence, early and middle adulthood, and late adulthood. In a unique departure from traditional lifespan development texts, each chapter integrates the physical, cognitive, and social and personality domains within each chronological period. The book is designed to be user friendly. Written in a direct conversational voice, it replicates as much as possible a dialogue between author and student. The text is meant to be understood and mastered on its own by students of every level of interest and motivation. To that end, it includes a variety of pedagogical features that promote mastery of the material and encourage critical thinking.

*Exploring Lifespan Development* Laura E. Berk, 2022-07-26 *Exploring Lifespan Development Fourth Edition* the essentials version of *Development Through the Lifespan Seventh Edition* by best-selling author Laura E. Berk includes the same topics, the same number of chapters, and the same outstanding features with a focus on the most important information and a greater emphasis on practical real-life applications.

*Discovering the Lifespan, Second Canadian Edition, Loose Leaf Version* Robert S. Feldman, Oriane Landry, 2016-04-01 NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab Mastering products, you may also need a Course ID which your instructor will provide. Used books, rentals, and purchases made outside of Pearson: If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. *Discovering the Lifespan* provides a broad overview of the field of human development and features a strong balance of research and application. In a unique departure from traditional lifespan development texts, each chapter is divided into three modules, and in turn, each module is divided into several smaller sections. Consequently, students encounter material in smaller, more manageable chunks that optimize learning. 0134376307 9780134376301 *Discovering the Lifespan Second Canadian Edition Loose Leaf Version Plus Revel Access Card Package*

**Discovering the Life Span** Robert Feldman, 2020-11-05 For courses in Lifespan Development. A modular, manageable, meaningful survey of the life span. Revel™ *Discovering the Life Span* provides a broad overview of a human life from the moment of conception through death. Utilizing a flexible modular organization, author Robert Feldman covers the life span chronologically and focuses on physical, cognitive, and social and personality development within each stage of life. Feldman's engaging and accessible writing style makes the material meaningful to students and prepares them

to apply what they're learning about development to their personal and future professional lives The 5th Edition more prominently highlights the impact of culture on development and places more emphasis on the application of multiple perspectives when studying development Revel is Pearson's newest way of delivering our respected content Fully digital and highly engaging Revel replaces the textbook and gives students everything they need for the course Informed by extensive research on how people read think and learn Revel is an interactive learning environment that enables students to read practice and study in one continuous experience for less than the cost of a traditional textbook Learn more about Revel
