The Literati Susan Coll, 2025-09-09 Like Bookish People the novel sparkles with kooky details plucked from literary culture A comedy of errors that gets it just right Kirkus An unexpected catastrophe of literary proportions Aspirant bookish and close to broke 26 year old Clemi steps into her dream job at a prestigious literary nonprofit and finds herself in the bull s eye of a financial legal and existential calamity The executive director has disappeared leaving behind an inscrutable cat to which she is highly allergic Meanwhile the bank accounts have been overdrawn the FBI is asking questions and she has three days to pull off the annual fundraising gala a glamorous affair filled with famous writers and local literati On the upside she will get to meet her all time favorite writer who has won the award Clemi has read and reread her novels pouring over her every word But her interactions with the author and her eight year old son as well as with the nonprofit s Board Members leave her wondering whether certain writers are better on the page than in person All the while Clemi is trying to sort out her own life her current boyfriend is like every boyfriend before him a pompous poseur and the clock is running on her apartment sitting gig She finds herself wondering what all the goings on in this dysfunctional scandal plagued nonprofit have to do with literature And if it s time to let go of her literary aspirations and apply to law school In the week in which this madcap story unfolds USA TODAY bestselling author Susan Coll weaves together a charmingly witty and warm comedy of manners that offers a peek behind the literary curtain one that anyone who s ever been a little bit uncertain of what the future might hold can relate to **Cable Vision** ,1996 **The Appleton Book of Christmas Plays** Frank Shay,1929
