from him etc I am not negating the fact that he did something wrong I am adamant about explaining that my son served more time in prison than some murderers IT IS UNJUST I served twenty one years 21 in the military I have good family core values and taught my son right and wrong he was enrolled in character building activities such as Karate Track Field Football and he played music If your teenager starts to make friends with peers that are going in a daunting path then STOP THINK TAKE ACTION In hindsight I would ask family members to have an intervention with my teen son Your teenager will probably listen to his uncle aunt cousin or sibling when they will not listen to you Take the appropriate action before it s too late Parents please do not let your children play with TOY GUNS plastic or pellet It may land them in jail for twenty 20 years
