Discourses In Matthew:

Discourses in Matthew David P. Scaer, 2004 Focusing his exploration on Jesus Five Discourses Scaer demonstrates that Matthew was written as catechesis a method in concert with its content and organization The discourses summarize the message the disciples are to carry to all nations and each discourse builds on its predecessors to culminate in the narrative of Jesus death and resurrection which is the Gospel's interpretive key **A Theology of Matthew's Gospel** Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

Are You Jesus' Disciple? Five Discourses of Jesus Christ in the Book of Matthew Jr. John R. Tucker, 2016-05-10 Are You Jesus Disciple This riveting and exciting book is easily understood because of its unique format It focuses on the five

discourses that were taught by Jesus Christ to His disciples from the Book of Matthew The 37 topics will make Scripture come alive to believers and non believers as a training manual for discipleship With an in depth explanation of verses readers will understand what it means to be a modern day disciple Discourses on the four Gospels. [With] To which is subjoined, A sermon on the manner of our Saviour's teaching Thomas Townson,1788 Whoever Hears You Hears Me Richard A. Horsley,Jonathan A. Draper,1999-11-01 Here is a challenge to New Testament scholars to engage in a fresh analysis of Q The authors argue that recent American study of Q has been dominated by those trained in form criticism and oriented to Hellenistic rather than Judean culture resulting in the extreme atomization of the Q sayings and reconstructions of Jesus and his first followers as Cynics and in the de politicization and de judaization of the Q materials and Jesus Also determinative of the current situation has been the assumption in New Testament studies of textuality of an ethos of written communication and of textual models for analysis However as is recently becoming clear from studies of oral and written communication the communication situation of Jesus and his first followers was almost certainly oral Horsley and Draper therefore contend that it is time the interpretation of Q took seriously the oral communication environment in which this material developed and continued before Matthew and Luke incorporated it into their Gospels This book then applies approaches to oral derived literature from oral theorists socio linguistics ethnopoetics and the ethnography of speaking to the Q materials The result is a developing theory of oral performance that generates meaning as symbols articulated in the appropriate performance situation resonate with the cultural tradition in which the hearers are grounded Richard A Horsley is Professor of Classics and Religion at the University of Massachusetts Boston Jonathan A Draper teaches at the University of Natal South Africa

Imagery and Symbolism in Matthew's Gospel Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46
