**"When Brothers Dwell in Unity"** Stephen Morris, 2016-03-01 In the world of early Byzantine Christianity monastic rules acknowledged but discouraged the homosexual impulses of adult males What most disturbed monastic leaders was adolescent males being accepted as novices adult men were considered unable to control their sexual desires for these beautiful boys John Chrysostom the Archbishop of Constantinople 397 407 virulently denounced homosexuality but was virtually the only Byzantine cleric to do so Penances traditionally attached to heterosexual sins including remarriage after divorce or widowhood have always been much more severe than those for a variety of homosexual acts or relationships Just as Byzantine churches have found ways to accommodate sequential marriages and other behavior once stridently condemned this book argues it is possible for Byzantine Christianity to make pastoral accommodations for gay relationships and same sex marriage Behold, how Good and Pleasant it is when Brothers Dwell in Unity! Jeffery Beam, 2014 **Gay Unions** Gray

Temple, 2000-01-01 Gray Temple presents the argument for the sacramental equality of gay and lesbian couples which is to say they are entitled to full participation in the sacraments including Marriage Gray Temple bases his discussion on the Anglican concept of discerning the will of God through Scripture Tradition and Reason In the argument from Scripture Gray Temple's basic premise is that we cannot presume to know what the Bible says to us if we do not understand what the biblical writers thought they were saying He discusses the ways in which the concept of sexuality in the minds of biblical writers was very different than ours He carefully analyzes the most often cited biblical passages assumed to prohibit homosexual activity and shows why they are not saying what we think they are saying In the argument from Tradition Gray analyzes the roots of various traditions coming to the conclusion that traditions generally evolve to maintain privilege Tradition has been used for example to bar women from ordination We are veering dangerously away from the Anglican tradition of the via media In the argument from Reason he presents answers to assumptions about homosexuality both from an impassioned liberal stance and from a stance designed to lead to a dialogue engaging the hopes and fears of the conservative and liberal sides As a liberal charismatic who prayerfully came to the conclusion that his homophobia was not a stance favored by God Temple is in a unique position to take on this topic Gray Temple deeply understands the ethos of conservatism and his understanding of that ethos provokes him to engage conservative arguments with rigor and sympathy

**Finding Our Unity in the Scriptures** Joel W. Hufstetler, 2005-09-01 This book grew out of a Bible Conference at Kanuga Conference Center in October 2004 led by Dr George L Carey the 103rd Archbishop of Canterbury Archbishop Carey's theme was the life and ministry of St Paul with a focus on the Letter to the Ephesians I was privileged to serve as a workshop leader and preacher during the conference and I chose as the theme of my workshop to study St Paul and reconciliation using Ephesians as our primary text The main thrust of the workshop was to study selected passages from Ephesians in detail and to look to St Paul's writings for guidance regarding reconciliation in the Body of Christ We live in a

time when there is such a pressing need in the Church for reconciliation a rekindling of a spirit of love and mutual respect rather than the judgment and suspicion which all too often characterize relations among Christians who find themselves in disagreement with one another regarding the divisive issues of our time This book advocates a renewed realization that in Jesus Christ what unites us as Christians is far greater than what divides us These essays on selected passages from Ephesians and the concluding essay The Way Forward are offered in the cause of reconciliation They are suitable for study by individuals as well as parish and diocesan study groups seeking reconciliation in the Church Study questions are presented at the end of each chapter to foster reflection and discussion I welcome this book as an offering to us all It presents one means for discovering a receptive stance to God's will for us even in the midst of the harsh rhetoric and self justifying proclamations of our day I am grateful to Joel Huffstetler for his contribution to the forming of an attitude of the heart committed to reconciliation From the Afterword by The Rt Rev Charles G vonRosenberg Bishop of East Tennessee
