**Dinner with Dad** Cameron Stracher, 2007-05-22 Our kitchen is small the appliances dated We don t have a fancy six burner stove or double wall oven like some of our wealthier neighbors But as I remove the second pizza from the oven the kitchen feels perfect neither too big nor too small neither too old nor too new The kind of kitchen where my brother can enter carrying both my son and my daughter in his arms from Dinner with Dad A beautiful intelligent wife two bright children a gorgeous home in a nice Connecticut suburb an ample income as a successful lawyer by all accounts Cameron Stracher is living the American dream Problem is thanks to a crazy busy work schedule he s never home to enjoy it Most nights Cameron grabs dinner on the run eating on the late train home long after his wife and kids have finished their meal So one day Cameron commits himself to a revolutionary experiment For the next year he ll be home by six o clock at least five days a week to sit down to a real family dinner and he ll even help cook that dinner himself Instead of stuffing a taco into my mouth in the back of the train I will saut chicken and peppers for my own fajitas Instead of dining alone I will dine with my family Instead of Absent Dad I will be Nourishing Dad But as this daring adventure gets under way it becomes clear that the road to culinary togetherness is no cakewalk Six year old Lulu eats only plain pasta with salt and nine year old Simon clings immovably to hot dogs What s more Cameron begins to feel that his normally sympathetic wife Christine is growing tired of having him underfoot at unexpected hours Only the author s faith in another American dream family closeness at the dinner table keeps him moving and as he shops chops and cooks he ponders the high percentage of Americans who d rather work than be with their families who d rather take conference calls than meet the school bus Fired with love and humor wit and heart and peppered with engaging social and cultural history Dinner with Dad is a four star five course celebration of family life Millions of overextended parents will relate to and relish Cameron s journey as he discovers what truly matters most Advance praise for Dinner with Dad Dinner with Dad is for every spouse who s ever crashed on the rocks of the suburban dream and for every parent who s had his heart broken by a child s turned up nose Stracher writes with humor and honesty about the pitfalls and triumphs of trying to have your family and eat with them too Julie Powell
