**A Concise Guide to Catholic Social Teaching** Kevin E. McKenna, 2019-02-08 Topics related to Catholic social teaching emerge regularly in American political and civic discourse often connected to discussions about religious freedom abortion immigrant rights racism capital punishment and health care This third edition of *A Concise Guide to Catholic Social Teaching* by Rev Kevin E McKenna incorporates the essential teachings of Pope Francis in *Evangelium Gaudium Laudato Si* and *Amoris Laetitia* to offer a clear beginner level reference tool and study guide for Church leaders and other interested Catholics to help them navigate this vast body of teaching Building on core themes of human dignity community rights and responsibilities option for the poor dignity of work solidarity and care of creation McKenna distills a vast amount of Catholic teaching into easily digestible summaries each carefully referenced to its primary source and correlated to pressing issues making today's headlines The book includes crucial teachings of the popes from Louis XIII through Francis as well as from the United States Conference of Catholic Bishops Each chapter concludes with questions for reflection and dialogue and appendices provide tools for parishes and study groups This practical and thorough guide remains a perennial favorite for study and reference in Catholic parishes universities and ministry formation programs [Catholic Social Teaching](#) O'Neill, SJ, William, 2021-04-21 A guide to key themes of the Catholic social teaching tradition and its implications for ethical issues such as war peacemaking and the global refugee crisis [A Sociotheological Approach to Catholic Social Teaching](#) Vivencio O. Ballano, 2022-10-31 This book introduces Catholic social teaching CST and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of COVID 19 that undermine public interest It uses the sociotheological approach that combines the moral principles of CST and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data Specifically it investigates the corporate moral irresponsibility and some unethical business practices of Big Pharma in the sale and distribution of its anti COVID vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the United States Congress's legislative regulation against the pharmaceutical industry's overpricing and profiteering the inadequacy of the World Health Organization's WHO law enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud and white collar crime This book highlights the contribution of sociology in providing the empirical foundation of CST's moral analysis and in crafting appropriate Catholic social action during the pandemic It is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and Catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and COVID 19 This book brings into dialogue two bodies of literature documents of Catholic social teaching and modern sociology and its core thinkers and texts The author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of Catholic social thought Rev

Handbook of Research on Promoting Peace Through Practice, Academia, and the Arts Lutfy, Mohamed Walid, Toffolo, Cris, 2018-09-07 Academic disciplines perceive tranquility and a sense of contentment differently among themselves and therefore contribute to peace building initiatives differently Peace is not merely a function of education or a tool that produces amicable systems but rather a concept that educational contributions can help societies progress to a more peaceful existence The Handbook of Research on Promoting Peace Through Practice Academia and the Arts aims to provide readers with a concise overview of proactive positive peace models and practices to counter the overemphasis on merely ending wars as a solution While approaching peace building through multiple vantage points and academic fields such as the humanities arts social sciences and theology this valuable resource promotes peace building as a cooperative effort This publication is a vital reference work for humanitarian workers leaders educators policymakers academicians undergraduate and graduate level students and researchers **Leader's Guide to Sharing Catholic Social Teaching** Stephen M.

Colecchi, 2000 This Leader's Guide provides a flexible resource for infusing Catholic social teaching into a variety of programs and activities The Oxford Handbook of Religion and American Politics Corwin Smidt, Lyman Kellstedt, James Guth, 2009-09-10 This handbook examines the considerable research that has been conducted into the study of religion and politics It reviews previous work explains the findings of that research and speculates about the bases of the various findings

**Glorify the Lord by Your Life** Bernard Evans, 2021-12-14 As Catholics how are we called to make a difference in a world that can be difficult to understand Every weekend parishes across our global church welcome millions on their faith journeys to share joy pain fellowship and understanding Finding a way to guide congregations through economic cultural and political problems is critical We may not know exactly how Jesus would have handled specific issues of today but we can look to his actions words and spirit to give us guidance for challenging situations This resource provides a unique approach for understanding the important connection between the liturgy and the seven primary themes of Catholic social teaching It will inspire you to deepen your relationship with God and with others to become more aware of the needs of the world and recommit yourself to live as Christ's disciples in the world *Catholic Social Guild Pamphlets* Catholic Truth Society (Great Britain), 1910 Handbook of Catholic Social Teaching Martin Schlag, 2017 Handbook of Catholic Social Teaching employs a question and answer format to better accentuate the response of the Church's message to the questions Catholics have about their social role and what the Church intends to teach about it Written in consultation with the Pontifical Council for Justice and Peace the Handbook should take its place alongside the Catechism of the Social Doctrine of the Church on the shelf of informed Catholics as works that can inform what we believe and do in the public sphere Encyclopedia of American Religion and Politics Paul A. Djupe, Laura R. Olson, 2014-07 Presents an encyclopedia of religion and politics in America including short biographies of important political and religious figures like Ralph Abernathy civil rights leader and Ralph

Waldo Emerson writer and synopses of religious entities like the Branch Davidians and the Episcopal church as well as important court cases of relevancy like Epperson et al v Arkansas having to do with evolution      **Towards an Ethical Framework for Poverty reduction ,      The Oxford Handbook of Irish Politics** David M. Farrell,Niamh Hardiman,2021-09-01 Ireland has enjoyed continuous democratic government for almost a century an unusual experience among countries that gained their independence in the 20th century But the way this works in practice has changed dramatically over time Ireland s colonial past had an enduring influence over political life for much of the time since independence enabling stable institutions of democratic accountability while also shaping a dismal record of economic under development and persistent emigration More recently membership of the EU has brought about far reaching transformation across almost all aspects of Irish life But if anything the paradoxes have only intensified Now one of the most open economies in the world Ireland has experienced both rapid growth and one of the most severe crashes in the wake of the Great Recession On some measures Ireland is among the most affluent countries in the world yet this is not the lived experience for many of its citizens Ireland is an unequivocally modern state yet public life continues to be marked by formative ideas and values in which tradition and modernity are held in often uneasy embrace It is a small state that has ambitions to leverage its distinctive place in the Atlantic and European worlds to carry more weight on the world stage Ireland continues to be deeply connected to Britain through ties of culture and trade now matters of deep concern in the context of Brexit And the old fault lines between North and South between Ireland and Britain which had been at the core of one of Europe s longest and bloodiest civil conflicts risk being reopened by Britain s new hard edged approach to national and European identities These key issues are teased out in the 41 chapters of this book making this the most comprehensive volume on Irish politics to date

**Catholic Social Thought Renovating the Tradition** Francis P. McHugh,2008 This books falls into three parts First basic context and understanding of the subject Catholic Social Thought need to be set out The second section comprises a report on some survey work undertaking in 2001 2002 on existing teaching resources for CathST in a variety of higher and further education institutes in the UK Ireland USA Western Europe and Australia The third is the bibliography arranged at three levels 1 students starting the subject at first year university level 2 teachers of the subject 3 researchers and libraries looking for a comprehensive coverage of titles in the subject Introduction      **Introduction to Catholic Social Teaching** Rodger Charles,2001-11 This work distills Fr Rodger Charles extensive knowledge of the social teaching of the Catholic Church into an introductory outline of its principles It has been written especially for use as preliminary reading material for those studying the Church s teaching in this area but will also serve equally well as a general introduction to the ethics of decision making in the civic political and economic spheres of human society The social teaching of the Church usually refers to modern documents but there is social teaching in the Scriptures and this teaching has developed within the tradition of the Church Charles gives an overview of the evolution of social teachings He quotes liberally from Church social documents

and adds an introduction and commentary to each section of this book      **Human Rights, Human Dignity and Catholic Social Teachings** Obiora F. Ike, Eugene Ugonna Igboaja, 1992      **National Catholic Welfare Council Bulletin**, 1922
