Dirty Girls Come Clean:

Dirty Girls Come Clean Crystal Renaud, 2011-04-01 You are not alone The sexual addictions of pornography and masturbation are not just men's issues They're women's issues too Research shows that 25% of Christian women are addicted to pornography But 70% of these women will never admit their struggle In *Dirty Girls Come Clean* Crystal Renaud aims to change these statistics and help you gain freedom from sexual addiction Why This Book So often ministries and tools for overcoming these sexual addictions are more accessible to men than they are to women Even if these ministries and tools were accessible to women they may not be as effective in giving freedom because women turn to pornography for different reasons than men do Women need a resource crafted specifically for them A Trusted Source Crystal founder of Dirty Girls Ministries and AACC certified counselor comes clean first Her story of addiction to pornography began when she was 10 years old and continued and intensified for eight years During this time of sexual addiction Crystal deceived and withdrew She came to know shame intimately and she thought she was alone in her struggle After coming clean about her sexual addiction Crystal also includes stories of other women who have come clean about theirs A Plan for Freedom Crystal is determined to help women come clean and by God's grace and power get free Addressing both the sexual addictions themselves as well as underlying issues that cause them Crystal provides a plan for freedom using the acronym SCARS S Surrender Trusting the Healer C Confession Out of the Darkness A Accountability Restoring Our Character R Responsibility Owning My Part of the Story S Sharing God Never Wastes an Experience In addition to her plan for freedom from sexual addiction Crystal provides other resources such as personal inventories the twelve steps of sexaholics anonymous online accountability programs other books and links to recovery groups Join Crystal and many others who have claimed freedom from sexual addiction Now is your time to come clean and be free With the recent release of Crystal's book *Dirty Girls Come Clean* women now have the tools they need to fight a battle that many assume only ensnares men I can only imagine what kind of hope and encouragement this book is going to offer women who have believed for years decades that they were the only ones struggling and there was no hope for them Book review by Marsha Fisher on porntopurity.com An Excerpt from the First Chapter This book is for you the woman who feels alone in addiction to pornography I don't believe in coincidences This book is in your hands because God wants to speak some truth to you and for whatever reason He's chosen to use this book to do so The dark cloud of this addiction is far reaching Pornography addiction knows no path other than one of destruction isolation and suffocation Pornography addiction knows no creed Pornography addiction knows no gender We are all sexual beings If not you and I would not be living on this earth So to believe that pornography can only be a man's problem is not only false but it is an ignorant lie that comes from the enemy The enemy Satan deceived Even in the garden of Eden by convincing her that if she ate the forbidden fruit she would be like God She in turn offered Adam the fruit he took some and as a result of their disobedience they were expelled from the beautiful garden where they had enjoyed perfect fellowship with

God Satan's goal was to destroy And the enemy has been trying to destroy women ever since From the first bite of forbidden fruit to pornography addiction the enemy will use whatever he can to deceive us and keep us ineffective for use in the kingdom of God May you find comfort in knowing that not only are you not alone in your struggle but there is hope for breaking the stronghold of this addiction And that hope comes from Jesus I write this book from a Christian point of view because it is my personal belief that Jesus is the reason I stand free from pornography today But as I said pornography addiction knows no creed Pornography affects everyone So it is my hope that the steps provided throughout this book will be beneficial to all women from all walks of life You were created for so much more than this life you've been living Life is to be lived abundantly It is time to come on out from behind the bushes Life is waiting **Dirty Girls Come Clean**, 2011 And the Bride Wore White Dannah Gresh, 2012-06-20 With over 250 000 copies sold reviewers continue to rave about And the Bride Wore White Seven Secrets To Purity But the greatest proof of its effect is in the lives of tens of thousands of young women who've embraced the book's message Each chapter of And the Bride Wore White begins with a narrative of Dannah Gresh's young love life taken from her own teenage journals She transparently shares her struggles and successes her moments of pain followed by healing and the moments of triumph This story line grips the young reader while they learn statistically proven risk reduction factors The end result are usable how to say no skills that can reduce the risk of a young woman's heart being broken by sexual sin In this update Dannah and her friends share open letters of encouragement to young women one to those who chose life and another to those who chose abortion one to teen girls addicted to pornography and another to girls who have experienced sexual abuse and many more specific to a young woman's unique circumstances

don't tell anyone for fear of getting in trouble Sexual messages are being consumed daily through mainstream and social media Most parents think their child is the exception Instead of sweeping this topic under the rug Miller wants to change the narrative In this immensely practical and well researched book she equips parents to have meaningful and age appropriate conversations with their children about sex pornography and sexual abuse She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears struggles and mistakes Most important she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God
