## **Discipleship Manual:**

**The Disciple Maker's Handbook** Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle, being a disciple of Jesus, and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus, the original disciple maker and centerpiece of discipleship; Holy Spirit, who fuels the disciple making process; Intentionality, making disciples utilizing a strategy and a roadmap; Relationships, creating a loving, genuine connection with others who trust and follow Jesus; Bible, using the Word of God as the manual for making disciples; Journey, forging a traceable growth story from a new birth to spiritual parenthood; Multiply, reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

**The Matthew Journey: A Discipleship Manual Through the Gospel of Matthew** Jeff S. Kennedy, 2011-12 Before Jesus left his disciples, he gave them the famous commission: "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you." (Mt 28:19-20). The commission actually reveals a unique characteristic of Matthew's Gospel: it was designed to be a training manual for the Matthean community of disciples. Matthew's Gospel was structured along five major discourses on discipleship (Chs 5, 7, 10, 13, 18, 24, 25). In addition to these formalized sermons, the Gospel contains numerous situational teaching moments. Thus, future disciples are expected to assimilate the entire spectrum of Jesus' teaching content found in both His preaching and practice. The disciple of Jesus should know who Jesus is, what Jesus has to say, and what Jesus did. Knowing who He is will inspire faith in Him; knowing what He commands will guide the disciple in obedience; and knowing what the Master does will provide a pattern to follow. These three lines of inquiry will guide the disciple's development into the image of Jesus. The end game in following such a manual is that the believer will be prepared to make disciples of others. If this all sounds to you like a pretty tall order, well, then you're right. It is a demanding journey. Welcome to *The Matthew Journey*. This study guide follows the course taught at Eastpoint Church in Spokane Valley, WA. It is designed to be a thirteen-week discipleship mentoring curriculum for committed disciples.
