The Transformation of Missions in the Twenty-First Century Carrie A. Miles,2025-08-21 Drawing on interviews with founders of independent missions field work in Africa India and Haiti and her experience as director of an independent mission Carrie A Miles explores the challenges and strengths of missions built on interpersonal relationships and spiritual capital This book examines the rise of a new movement within Global Christianity the independent mission Once death defying residential lifelong commitments undertaken and supported by career professionals a growing number of international missions are now small agencies operating without institutional support and undertaken by volunteers who travel occasionally to the mission field but who live and work at home Focusing on the importance of culturally respectful collaborations with national partners this book also deals with the harm caused by missionaries who do not share that orientation In a compelling example Miles recounts her discovery that early missionaries to East Africa taught that God cursed humankind in Creation Making no attempt to understand the meaning of curses in traditional religions however the missionaries created a devastating syncretism that persists to this day The Transformation of Missions in the Twenty First Century Cross Cultural Partnership without Syncretism argues that in requiring cross cultural awareness to operate the constraints of working independently are also its strengths *The Gospels According to Jeanne: MARK* Jeanne Gossett Halsey,2018-04-24 The study of God s Holy Word is a privilege The opportunity to read deeply and connect our souls with His own heart is a necessary practice a discipline an essential that Christians of every age and experience should enjoy It should also be nourishing to the spirit informative uplifting and certainly never a drudgery or obligation Book Two in The Bible According to Jeanne Series *HOLY GHOST SCHOOL SERIES - UNDERSTANDING GOD'S SECRET PLACE* Bishop Anna A. Ahametula,2023-06-20 First Printed in 2011 2015 edition Nehemiah 8 1 19 Psalm 91 1 This little book is a collection of messages on Discipleship Training in Holy Ghost School recorded at Right hand of the LORD Fellowship Egbe Lagos Nigeria It happened that I was discipled by two ministers of God Rev Joses Hizkiah of Unfailing Life Ministries and Prophet Lambert Eze Okafor of LaFAMCALL End Time Ministries After this I forgot about the training and continued in my former method of ministration as I could not pick up the teaching immediately It was at this juncture of stalemate or deadlock that the LORD quickened me one day to start on the teaching on Holy Ghost Discipleship by faith that the inspiration came to start putting down in writing as the LORD started to help me along After a considerable number of lessons the directive came from the LORD to compile the messages into a leaflet for discipling members of the fellowship *Jesus, the Church and the Mission of God* John Valentine,2023-05-18 Church planting is in vogue yet there is a paucity of sustained biblical and theological

reflection on the topic Key voices are practitioners and planters themselves here is the biblical theology that the missiological practice of our day has been crying out for John Valentine explores the Bible s how and why for starting new churches and revitalizing old ones in this robust and comprehensive biblical theological look at one aspect of the mission of God    A Second Manual for Training in Worship Hugh Hartshorne,1921    Mission Frontiers Volume 1 Ralph D. McKim,2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of

Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross Catalogue of the Printed Books in the Library of the Faculty of Advocates ,
