Search of the Perfect Code Discovered Through Science L. A. Espriux,2017-08-09 The greater challenge of this book has been sorting through a conspiracy of biased data interpretation more than verification of the actual data It is as though the institutional foundation of academia has rigidly defined parameters of historically acceptable facts ignoring any evidence that does not fit within the target of measured agreement Not only are these several conclusions contrary to my personal experience but they border on absurdity in the open arena of logical discourse Therefore at the risk of sounding foolish to the world of secular thinking and sounding on the fringe to the minds of those most religious I have endeavored to remain true to my conscience through this intricate process of human analysis Even though I have explored the reasonable expectations constrained through many subjects of intellectual controversy I am kept in remembrance there is no greater meaning than love For by love the worlds are framed
