**American Book Publishing Record** ,2003 **Handbook of Feminist Research** Sharlene Nagy Hesse-Biber, 2007 The topic feminist research has too often been neglected in standard research methods books The Handbook of Feminist Research represents the establishment of a new tradition or paradigm in viewing how the

research process is implemented Feminist researchers bring unique epistemological and methodological perspectives to the research process Feminists approach to methodology allows for new types of questions about women s lives and those of other ed marginalized groups to be addressed within their respective fields of research This Handbook stresses the interconnections between epistemology methodology and methods They are not de linked from each other but work together in dynamic ways to produce new knowledge and this openness itself is also characteristic of how feminist researchers approach their work Feminists engage synergistically with all three aspects of the research process epistemology methodology and method Through a synergistic connection between these elements of research epistemology methodology and method we find that feminist research often shapes new research endeavors that are greater than the sum of their parts In other words while traditional research employs these components of research the synergistic engagement of these components in feminist research questions the status quo aiming to raise our consciousness about how we do research Looking at the selections provided in this Handbook we are able to look at feminist research its implementation of synergistic use of epistemology methodology and method and the resulting qualities of feminist research in practice

*Raising Dust* Nicholas Rowe,2010-05-15 *Raising Dust* traces one dancer s journey into Palestine s past and present Through historical archives the memories of dancers of yesteryear and into today s vibrant performing arts scene Nicholas Rowe shares a vision of the Occupied Palestinian Territories that is often hidden by tragic news headlines During tumultuous times dance has acted as a barometer of social change a forum for debate and a means of expressing forbidden ideas Far from apolitical this most physical of art forms has often defined the political mood of the day From the vineyards of the Old Testament to the municipal gardens of the Palestinian Authority Rowe weaves dance and politics into a cultural narrative that is both personal and collective
