Reid,2010

Disability in the Christian Tradition Brian Brock,John Swinton,2012-08-06 For two millennia Christians have thought about what human impairment is and how faith communities and society should respond to people with perceived impairments But never has one volume collected the most significant Christian writings on disability This book fills that gap Brian Brock and John Swinton s Disability in the Christian Tradition brings together for the first time key writings by thinkers from all periods of Christian history including Augustine Aquinas Julian of Norwich Luther Calvin Hegel Kierkegaard Bonhoeffer Barth Hauerwas and more Fourteen contemporary experts in theology and disability studies guide readers through each era or group of thinkers offering clear commentary and highlighting important themes   **Disability in Judaism, Christianity, and Islam** Darla Schumm,Michael J. Stoltzfus,2011-10-24 This edited collection of essays examines how religions of the world represent understand theologize theorize and respond to disability and chronic illness Contributors employ a variety of methodological approaches including ethnography historical cultural or textual analysis personal narrative and theological philosophical investigation   *The Disabled God* Nancy L. Eiesland,1994 Integrating intellectual with personal political and spiritual the author defines a liberatory theology for the disabled   Disability in the Greek Patristic Tradition Petre Maican,2025-10-16 This volume explores the profound ways in which key thinkers from the Greek Christian East engaged with the realities of human frailty impairment and divine purpose   *Copious Hosting* Jennie Weiss Block,2002-01-17 It is estimated that there are 43 million Americans with one or more physical or mental disabilities Over the past several decades the disability movement has grown in strength and sophistication attaining maturity with the Americans with Disabilities Act of 1990 This landmark civil rights legislation ushered in a new era for people with disabilities Many religious people however well meaning are unfamiliar with the language and philosophy of the disability movement They unintentionally give offense by language and actions that reflect a by gone era This book aims to do two things to

acquaint church and synagogue leaders with the history and philosophy of the disability movement and to provide resources from scripture and theology for thinking and preaching about disability in a new way   Searching for Dignity John Claassens,Leslie Swartz,Len Hansen,2013-08-01 This publication fills a unique gap in the theological and religious engagement with the issue of human disability in South Africa Combining the contributions of scholars practitioners and people living with disabilities it stands out for the way in which it promotes an interdisciplinary debate on disability and human dignity from a theological point of departure and interest The end result is a collective effort with a critical approach to the role of religion and the Christian faith tradition in particular in the social and life worlds of people living with disabilities A forceful argument is thus constructed about ways in which religion and the Christian faith tradition should change their own discourses practices and ideological presuppositions regarding the issue of human disability Cobus van Wyngaard Department of Philosophy Practical and Systematic Theology University of South Africa   Tactile Heart John M. Hull,2014 This is a collection of theological essays on relating blindness and faith It discusses how developing a theology of blindness can make a constructive contribution to the wider field of disability theology The author looks at key texts in the Christian tradition which often use blindness as a metaphor for ignorance and explores how these texts can be read by blind people   Disability, Faith, and the Church Courtney Wilder Ph.D.,2016-04-25 Including both theoretical discussions and practical information for congregational use or pastoral use this rich accessible book explores biblical text historical and theological issues of disability and examples of successful ministry by people with disabilities Disability Faith and the Church Inclusion and Accommodation in Contemporary Congregations draws from a range of Christian theologians denominational statements writings of people with disabilities and experiences of successful ministries for people with disabilities to answer the deep need of many Christian communities to live out their calling by welcoming all people By focusing on 20th and 21st century thinkers and political and religious practices the book outlines best practices for congregations and supplies practical information that readers can apply in classroom or church settings The author draws on thinkers from a variety of Christian traditions including Roman Catholicism Episcopalianism Lutheranism and the Reform traditions to provide a theologically robust discussion that remains accessible to churchgoers without formal theological training Emphasis is placed on connecting formal theological reflection and the experiences of ordinary people with disabilities to existing congregational practices and denominational statements thereby enabling readers to decide on the best ways to successfully include people with disabilities into their communities within the rich and diverse Christian theological tradition   **Disability and the Gospel** Michael S. Beates,2012 Exploring key Bible passages on brokenness and disability to develop helpful principles for believers and churches this book teaches us to first embrace our own brokenness and then embrace those who are more physically broken   **Encyclopedia of Disability** Gary L Albrecht,2006 SAGE Reference is proud to announce the five volume Encyclopedia of Disability This encyclopedia represents the first attempt to bring an authoritative reference resource

to the many faces of disability More than 500 world renowned scholars have written over 1 000 entries in a clear accessible style with the desire to bring all students researchers and interested readers closer to the daily experience of disability Volumes 1 4 cover disability A to Z including a reader s guide comprehensive bibliography and index Volume 5 contains a wealth of primary source documents in the field of disability The Encyclopedia of Disability is a must have reference for all academic libraries large public libraries and any social science medical legal or governmental reference collections Non governmental organizations charitable foundations and law firms will also want to add this set to their collections **The Tactile Heart** John M. Hull,2013-06-28 The Tactile Heart is a collection of theological essays on relating blindness and faith and developing a theology of blindness that makes a constructive contribution to the wider field of disability theology John Hull looks at key texts in the Christian tradition such as the Bible written as a text for sighted people and at hymns which often use blindness as a metaphor for ignorance and explores how these can be read by blind people **Disability and Christian Theology** Deborah Beth Creamer,2009-01-05 This book provides a framework for a new theology of disability which begins with the notion that limits are an unsurprising element of human life This profoundly challenges common sense categories of disabled and non disabled and offers significant new images and possibilities for theological reflection and action **Hell Hath No Fury** Meghan R. Henning,2021-09-21 The first major book to examine ancient Christian literature on hell through the lenses of gender and disability studies Throughout the Christian tradition descriptions of hell s fiery torments have shaped contemporary notions of the afterlife divine justice and physical suffering But rarely do we consider the roots of such conceptions which originate in a group of understudied ancient texts the early Christian apocalypses In this pioneering study Meghan Henning illuminates how the bodies that populate hell in early Christian literature largely those of women enslaved persons and individuals with disabilities are punished after death in spaces that mirror real carceral spaces effectually criminalizing those bodies on earth Contextualizing the apocalypses alongside ancient medical texts inscriptions philosophy and patristic writings this book demonstrates the ways that Christian depictions of hell intensified and preserved ancient notions of gender and bodily normativity that continue to inform Christian identity **Human Disability and the Service of God** Nancy L. Eiesland,1998 Explores the role of human disability in the service of God and examines how the participation of people with disabilities relate to the scriptures that speak of sin disability and healing Challenges the current practices within the churches encourages people with disabilities to press for full inclusion suggests that congregations should re envision their actual practices in communal life and worship and presents a selection entitled Disabling the Lie Includes topic and name indices **Handicap - Disability - Learning and Living Difficulties: Policy and Practice in Different European Settings- Behinderung - Beeintraechtigung - Lern- und Lebensschwierigkeiten: Politik und Praxis Vor Dem Hintergrund Unterschiedlicher Europaeischer Gegebe** Wolf Bloemers,Fritz-Helmut Wisch,2000 This first edition out of three Euro Modules is to be considered as an introduction to various issues regarding the past present and

future living conditions of disabled and disadvantaged people from three European perspectives Goals To develop a common consciousness for European identity To question and overcome national perceptions of disability disadvantagement To facilitate a better understanding comprehension through a common knowledge To develop a consciousness for innovative professional tasks and activities in a European area of social care This book contains contributions in English and German Dieses erste von 3 Euro Modul B chern versteht sich als Einf hrung in verschiedene Problemfelder der historischen gegenw rtigen und zuk nftigen Lebensbedingungen behinderter und benachteiligter Menschen aus 3 europ ischen Blickwinkeln Ziele sind Gemeinsames Bewusstsein f r europ ische Identit t zu entwickeln nationale Auffassungen von Behinderung Benachteiligung in Frage zu stellen und zu berwinden durch einen gemeinsamen Wissensschatz besseres Verstehen zu erm glichen den Blick zu sch rfen f r innovative berufliche Aufgaben und T tigkeiten ein einem europaweiten Sozial und F rsorgebereich Dieses Buch enth lt Beitr ge in deutscher und englischer Sprache *Theology, Disability and the New Genetics* John Swinton,Brian Brock,2007-08-21 A unique text which focuses on the theory and practice of the church as it engages with the complex issues that are emerging in response to new genetic technology <u>Disability Studies Quarterly</u> ,1994
