Disability and New Media Katie Ellis, Mike Kent, 2011-05-11 Disability and New Media examines how digital design is triggering disability when it could be a solution Video and animation now play a prominent role in the World Wide Web and new types of protocols have been developed to accommodate this increasing complexity However as this has happened the potential for individual users to control how the content is displayed has been diminished Accessibility choices are often portrayed as merely technical decisions but they are highly political and betray a disturbing trend of ableist assumption that serve to exclude people with disability It has been argued that the Internet will not be fully accessible until disability is considered a cultural identity in the same way that class gender and sexuality are Kent and Ellis build on this notion using more recent Web 2 0 phenomena social networking sites virtual worlds and file sharing Many of the studies on disability and the web have focused on the early web prior to the development of social networking applications such as Facebook YouTube and Second Life This book discusses an array of such applications that have grown within and alongside Web 2 0 and analyzes how they both prevent and embrace the inclusion of people with disability *Disability, Discourse and Technology* Najma Al Zidjaly, 2016-04-29 Exclusion is the main predicament faced by people with disabilities across contexts and cultures yet it is one of the least academically studied concepts This book offers an applied linguistics perspective on critical and timely issues in disability research filling in a number of gaps in discourse analysis and disability studies The Social Model of Disability in India Ranjita Dawn, 2021-05-27 This book presents various paradigms and debates on the diverse issues concerning disability in India from a sociological perspective It studies disability in the context of its relationship with concepts such as culture religion media literature and gender to address the inherent failures in challenging prevalent stereotypical and oppressive ideologies It traces the theological history of disability and studies the present day universalized social notions of disablement The volume challenges the predominant perception of disability being only a medical or biological concern and provides deeper insight into the impact of representation through an analysis of the discourse and criteria for normalcy in films from the nineteenth and twentieth centuries It analyzes the formation of perspectives through a study of representation of disability in print media especially children s literature comics and graphic novels The author also discusses the policies and provisions available in India for students with disabilities especially women who have to also contend with gender inequality and gender based discrimination The book will be of interest to scholars and researchers of disability studies educational psychology special education sociology gender studies politics of education and media ecology It will also be useful for educationalists NGOs special educators disability specialists media and communication professionals and counsellors *Mental Illness in Popular Media* Lawrence C. Rubin, 2014-01-10 Whether in movies cartoons commercials or even fast food marketing psychology and mental illness remain pervasive in popular culture In this collection of new essays scholars from a range of fields explore representations of mental illness and disabilities across various media of

popular culture Contributors address how forms of psychiatric disorder have been addressed in film on stage and in literature how popular culture genres are utilized to communicate often confusing and conflicted relationships with the mentally ill and how popular cultures around the world reflect mental illness and disability Analyses of sources as disparate as the Batman films Broadway musicals and Nigerian home movies reveal how definitions of mental illness mental health and of psychology itself intersect with discourses on race gender law capitalism and globalization Instructors considering this book for use in a course may request an examination copy here

Reading and Writing Disability Differently Tanya Titchkosky, 2007 Mixing rigorous social theory with concrete analysis Reading and Writing Disability Differently unpacks the marginality of disabled people by addressing how the meaning of our bodily existence is configured in everyday literate society Tanya Titchkosky begins by illustrating how news media and policy texts reveal dominant Western ways of constituting the meaning of people and the meaning of problems as they relate to our understandings of the embodied self Her goal is to configure disability as something more than a problem and beyond simply a positive or a negative and to treat texts on disability as potential sites to examine neo liberal culture Titchkosky holds that through an exploration of the potential behind limited representations of disability we can relate to disability as a meaningful form of resistance to the restricted normative order of contemporary embodiment Incorporating a textual analysis of ordinary depictions of disability this innovative study promises to represent embodied differences in new ways and alter our imaginative relations to the politics of the body

Poetic Acts & New Media Tom O'Connor, 2006-11-13 Poetic Acts New Media advances the fields of literary and new media studies by clarifying boundaries between competing genres and media through the creation of a new artistic genre media poetry This aesthetic mode of expression becoming seeks to transform mass culture our codes of communication by self consciously acknowledging how textual audio and or visual signs are constructed according to their simulation and not their representation This study draws heavily upon literary media theories that intersect with Gilles Deleuze s philosophy of Sense as a simulated power of sensory transformations Media poetry becomes a complex power of Sense by blending conventional mass media codes with poetic simulations that provide alternative forms of creating meaning Poetic Acts New Media specifically examines the works of several poets that exemplify this multi sensory approach to printed text poetry especially Langston Hughes Tony Medina David Wojahn John Kinsella David Trinidad It also analyzes several contemporary films that embody the multi modal logic of media poetry David Lynch s Mullholland Drive Cameron Crowe s Vanilla Sky Spike Jonze s Being John Malkovich In addition this study interprets two influential primetime TV shows as exemplars of media poetry Twin Peaks and Buffy the Vampire Slayer All media poetry regardless of genre or medium allows readers viewers to envision reality production as a rewriteable and poetic enterprise that can productively remediate any transparent abstraction or common sense realism

Disability And New Media Routledge Studies In New: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Disability And New Media Routledge Studies In New : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
