## **Discipleship G Campbell Morgan:**

*Discipleship* G. Campbell Morgan, 2004-01-13 G Campbell Morgans great work on Evangelism has been updated and footnoted so that it is clearer and easier for the modern reader     *Discipleship* George Campbell Morgan, 1977

**Discipleship** G. Campbell Morgan, 2015-11-27 G Campbell Morgan was one of Britain's foremost Biblical scholars during the early 20th century and his works on religious topics continue to be widely read today including this one     **Discipleship** G. Morgan, 2011-11-09 The twelve essays in this book provide eminently practical help on living as a disciple of Jesus The author Campbell Morgan was an evangelist preacher and leading Bible scholar     Rose Guide to Discipleship Len

Woods, 2016-01-01 You already know that discipleship is important So the question is not should you disciple it is how to disciple How can you help others become more Christ like What topics do you need to cover to make sure they mature in their spiritual journey How do you effectively develop spiritual growth Enjoy having this easy to understand guide includes 30 ready to use lessons on 30 discipleship topics Becoming more like Jesus salvation forgiveness prayer trusting God how to study the Bible and other spiritual growth topics Whether you're a new Christian or a seasoned believer this guide includes overviews of key topics to dive into for a lifetime Each Discipleship Topic Includes Core truth or theme sentence A memory verse A basic Bible study of the key passages with questions A handout on the topic to fill out and take home Graphics Charts diagrams infographics Questions to draw out the key principles Life applications Featuring simple summaries charts and illustrations this reproducible guide is perfect for the leader who wants ready to use lessons for discipling new believers Every leader knows it isn't enough to lead a person to Christ and stop there Any leader can pick and choose topics or do all 30 lessons And you can do them in any order Each topic takes about 1 hour so they are perfect for busy people Perfect for personal or group use     **The Missionary Manifesto** G. Campbell Morgan, 2006-05-04 ANY one reading these passages of

Scripture for the first time would certainly be quite as much impressed by their disparities as by their similarities It is the custom of the Christian Church to speak of the commission of Jesus as though there were but one which the four evangelists record in different words This conception is the result of superficial observation and the measure in which it dominates our thinking is the measure in which we fail to recognize the spaciousness and inclusiveness of the missionary commission and fail therefore to understand the real responsibility of the Church     **Real Evangelism** Bailey Smith, 1999-10-08 Real Evangelism shows how aspects of church culture actually dampen the evangelistic task entrusted to it Smith exposes what he calls subtle substitutes to evangelism While there is nothing wrong with ministries that help established Christians Bailey Smith impresses upon the church that these types of ministries must not take place of reaching out to the lost     *Connecting the Chasm* Roche Coleman, 2013-05 Connecting the Chasm seeks to provide assistance with individual spiritual growth and instruction regarding the essential and foundational biblical truths It covers the fall of mankind into sin through the purpose of the local church All Christians should know what the Bible states regarding salvation discipleship sanctification and their

roles in the church However there is a dearth of knowledge of the fundamental teachings of Scripture which has created a chasm between the believer and the Bible Therefore attention is given to biblical and theological issues that will compel the reader to go beyond the surface and build a firm foundation on the Word of God Each facet is designed to facilitate individual spiritual growth for the new Christian as well as the mature Christian A workbook is included to provide further interaction with the material so it may be utilized as a course text for basic biblical beliefs a new member s orientation course or a new believer s course

Kimber,2015-12-07 Jesus gives the Holy Spirit to make people his followers and to guide them as disciples Disciples of the Holy Spirit helps Christians to understand the work of the Holy Spirit to clarify the role of the Spirit in their lives as believers and to guide them along moral paths so they may embrace the Spirits gifts and bear fruit to the glory of God Author George P Kimber taps his knowledge and experience from nearly six decades of discipleship as an evangelist pastor teacher and professor to explain the gifts and fruits of the Holy Spirit He outlines Gods need for disciples in todays challenging times He tells how the Holy Spirit empowers individuals to follow Jesus unique model of discipleship He describes the ethics of discipleship that Jesus taught in his Sermon on the Mount and that his apostles carried out in their ministries He reinforces the truth that godly love underlies all of the Holy Spirits work in the lives of disciples Disciples of the Holy Spirit will guide you both in understanding how the Holy Spirits gifts and fruits come to life in your discipleship and in applying moral principles to the faithful practice of the Spirits gifts In the end you will come to know the Holy Spirit and its holistic work in your life
