Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book Biblical Discipleship Essential Components for Attaining Spiritual Maturity However it is a stand alone book study that is designed to be used on its own Its purpose is to

take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups Richard Sogunle,2022-08-01 In my many years of attending Bible study I have found that many who attend barely grow beyond the level of being fed the word of God Many are stocked in the level of milk without the capacity to handle the solid word of God The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today Every good shepherd desire that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine However due to various environmental and organizational challenges a small group Bible study setting may be lacking in many churches The members may attend worship services on Sunday and other times and listen to the pastor s sermon day after day but never have the opportunity to contribute their God given ideas or ask questions that could strengthen their courage to share their faith with understanding This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapon in memory verse during each Bible study session The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living Bible Study Guide for Churches Small House Fellowships and Discussion Groups is a must have handbook for pastors leaders of various Christian fellowship groups and believers that will love to grow in their Christian walk *Disciplined for Life* John Loftness,C. J. Mahaney,1992 As you study and apply the spiritual disciplines you will find fresh power and enthusiasm to live like ChristLeave the treadmill of spiritual drudgery behind as you discover how you can be Disciplined for Life Richard J. Foster's Study Guide for "Celebration of Discipline" Richard J. Foster,2010-03-23 Richard J Foster provides a series of brief incisive essays that expand the discussion begun in Celebration of Discipline They focus and clarify key issues and encourage a fuller understanding and practice of the Spiritual Disciplines Each essay is followed by Scripture passages to enhance our appreciation of the Disciplines in the light of the Bible along with study questions that facilitate careful reading of the original text and stimulate thought and discussion Foster has also provided an annotated bibliography that suggests directions for further study Ideal for personal or group reflection this concise guide takes us beyond merely reading about the Disciplines and helps us make them an effective opportunity for spiritual growth Richard J Foster is the author of several bestselling books including Celebration of Discipline Streams of Living Water and Prayer which in 1993 was Christianity Today s Book of the Year and the winner of the Gold Medallion Award from the Evangelical Christian Publishers Association He is the founder of Renovar an intrachurch
